NUMBER 8

Monday, November 9th is Patti Page's birthday and the nation's deejays will dedicate this week to wishing the lovely singing star many more hit records. As part of the celebration, the platter spinners will play a special record cut by Mercury depicting the highlights in Patti's career. Her latest Mercury release is "Changing Partners" but Patti wants it known that she hasn't changed partners in seven years. Jack Rael, who discovered her and has been her associate ever since, is her one and only partner.

## Juke Box Ops Repeat Need For:

# 2 MINUTE RECORDS

Years ago, *The Cash Box* won the plaudits of the nation's juke box operators when it proposed, and continued to crusade for, 2-minute records. As *The Cash Box* has always explained, the differential between the 2-minute and 3-minute recordings meant as much as 50% more income for the average juke box operator.

The unshakeable fact remains that there are still only 60 minutes to the hour. And during what is known as "peak hour play periods," the operator must be able to serve the public as many records as he possibly can.

"Peak hour play" is that period during the day or evening when the juke box is continually fed coin so that the play goes on without halt, sometimes for one hour, sometimes for two or possibly more hours. That is usually the time when the location is busiest and the patrons of the location continue to insert coins into the juke box one after the other.

During the "peak hour play periods" then, the juke box operator needs as many plays as he possibly can obtain from the patrons of the location, for this is his bread and butter period of the day or night.

Three-minute records, even if there was no time wasted for changeover from one record to another, would still mean but 20 coins in the phonograph.

Similarly two-minute recordings, also not figuring the time taken for changeover from one recording to the next, would mean 30 coins inserted into the juke box to play 30 records.

That means a differential to the juke box operator of 50% more income as well as more play action.

But even two-minute recordings won't play at the rate of 30 per hour, for the changeover time, which on today's modern automatic phonographs is gauged in seconds (and on prewar phonos in minutes) still takes up sufficient time to cut even this 30 down to about 26 or 27 records actually played.

On three-minute recordings with but 20 records to be played during a peak hour, and with the changeovers figured, this is, in most cases, cut down to but 16 or 17 records actually played.

It can be seen therefore that income is tremendously diminished by the 3-minute records, as against the 2-minute records.

As a result of the campaign to establish 2 minutes as the standard time of records, diskeries for the past several years have steadily cut down the length of their records. Whereas only a few years ago, almost all arrangements ran into interminable choruses, today you seldom hear more than two choruses and usually only one and a half. This has had the effect of keeping most records fresh and making the listener want to hear it again rather than tiring him out so that he never wants another listen.

And as far as hits go, there have been several smashes with records that ran 2 minutes—or even less, such disks as "Buttons And Bows," "Come On-A My House" and many others.

But—though the running time has come down, there's still more to be done. For the goal is to have a 2-minute top. It's a feasible goal and one which will be beneficial to everyone concerned—the operator, artist and record firm.

"Gotta problem." Every week we get mail from disk jockeys from all parts of the country who somewhere in the opening paragraph say, "Gotta problem". Where we can we help out. In many of the cases the appeals appear in this column. This week Sheriff Davis (WLOW-Norfolk, Va.) writes "I plan to go on TV soon . . . about November 23 on a new UHF station in our area (WTOV-TV). They are giving me a half hour every night from 6:30 to 7 P.M. . . . need some help. . . . Are there any films I can use and other stuff for my TV stint. I'll all be hillbilly and must be beamed in that direction." . . . Another from Peter R. Dreyer (WENT-Gloversville, N.Y.) says "I'd appreciate any help from you people. I'd like to get the major and minor labels to send me the recordings direct in care of Turntable Terrace. That is my daily show and I have a second coming up shortly."

Pic of the week—Henry Tuck (WREV-Reidsville, N.C.) writes to tell us hillbilly records are rated 3 to 1 over all other type of records in his area. . . .

# Sensational MAE WILLIAMS

## THE CASE BOX SLEEPER OF THE WEEK "PIZZA POLKA" (2:13) "OH BROTHER" (2:24)

MAE WILLIAMS  
(Tempo 1292; 45-1292)

MAE WILLIAMS

It looks like the polka rage is taking the country. The strong con-

tender for polka honors in Mae Williams' exciting new novelty, "Pizza Polka." Her voice is lively and the lyrics are rib tickling. All types of Italian foods are mentioned in the comical happy item. The backdrop support by Bill Heathcock and his ork is full of zip and vigor. The side really moves and everyone seems to be having a grand time. The thrush slows up on the lower lid and puts feeling into a sultry number which she sends up in a low sexy voice. "Oh Brother!" shows the versatility and talent in the thrush's chirping. She puts a pack of oomph into the smooth delivery. Both sides have it.

## JERI SOUTHERN

(Decca 28892; 9-28892)

**B+** "SPEAK SOFTLY TO ME" (2:37) [Regent BMI—Coleman] In her whispered and romantic manner of presentation, d.j. favorite Jeri Southern eases through a lovely ballad with a subtle Latin beat. Great material with top performance.

**B** "YOU SAID" (2:36) [World BMI—Wolf, Kent] The smooth artist sends up another dream-dusted item in her most tender manner. Melody is very pretty too.

## JO STAFFORD

(Columbia 40103; 4-40103)

**B+** "WHAT GOOD AM I WITHOUT YOU" (2:55) [Paxton ASCAP—Gallop, Rodney] Jo Stafford is great on this top notch ballad which the thrush presents in her own polished style. Inspired reading is sincere. Could smash through.

**C+** "THE CHRISTMAS BLUES" (2:32) [S. Weiss ASCAP—Cahn, Holt] Hubby Paul Weston again assists on this sentimental blues item fitting for the holiday season. Another torchy vocal offering.

## DINAH SHORE

(RCA Victor 20-5515; 47-5515)

**B** "CHANGING PARTNERS" (2:37) [Porgie BMI—Coleman, Darion] The Winterhalter ork backs Dinah Shore as the sweet voiced thrush sends up a tender waltz bit with a tasteful melody. Smmothness in every groove on this deck. Contender.

**C+** "THINK" (2:29) [Joy ASCAP—Owens] On this end the thrush rhythms through a light and appealing shuffle item with the ork and chorus adding to the all around happiness of the deck.

## PEARL EDDY

(Mercury 70255; 70255 x 45)

**C+** "LOVE ME FOREVER" (2:35) [Brandom ASCAP—] Pearl Eddy gives an inviting treatment to this end as she eases through a pretty ballad. Her voice is very warm.

**C** "WEDDING BELL WALTZ" (2:59) [Frederick BMI—] With the chorus again assisting, Pearl warmly sways through a waltz piece in an inviting fashion.

## EUGENIE BAIRD

(Vinrob 5; 45-5)

**B+** "SOMEBODY'S LONESOME" (2:43) [Vinrob ASCAP—Canzoneri, DiMinno] Eugenie Baird bids fair for a hit platter with this pretty ballad which she sings with warmth and heart. A wonderful tune with a real pretty orking.

**B** "I AIN'T GOT NO MONEY" (2:35) [Vinrob ASCAP—Mendelsohn] The pert voiced thrush takes to the shuffle tempo on this end and rhythm through a cute ditty with a catchy arrangement. Jazz ork backing is terrific.

## THE CASH BOX DISK OF THE WEEK

"STRANGER IN PARADISE" (2:56) [Frank ASCAP—Wright, Forrest]  
"THE GANG THAT SANG 'HEART OF MY HEART'" [Robbins ASCAP—Ryan]  
FOUR ACES featuring AL ALBERTS  
(Decca 28927; 9-28927)

FOUR ACES

● With Al Alberts in the feature role, The Four Aces run off a sensational styling of the big plug tune from the Broadway production "Kismet." The ballad "Stranger In Paradise" is by far the boys' best job since "Sin," "Perfidia" and their host of other smashes of the past. Jack Pleis' ork and a chorus add to this production treatment. On the lower end the group leans into a bounce version of the oldie, "The Gang That Sang 'Heart Of My Heart.'" Great juke material.

"CHANGING PARTNERS" (2:40) [Porgie BMI—Darion, Coleman]  
"WHERE DID MY SNOWMAN GO" (2:20) [Leeds ASCAP—Goeffrey, Venis, Mann, Poser]  
PATTI PAGE  
(Mercury 70260; 70260 x 45)

PATTI PAGE

● Will lightning strike twice? We're inclined to think so. The subject in question is Patti Page's version of "Changing Partners," a lovely tender waltz delivered in the same soft and polished manner as her classic, "Tennessee Waltz." The tune and lyrics are perfectly wed. To follow in the footsteps of "Tennessee" is asking a great deal, but we think that this is Patti's best bet for such a repeat performance. Flip features the sweet voiced thrush on a bouncing winter item dubbed "Where Did My Snowman Go?" A cute job.

"STRANGER IN PARADISE" (3:03) [Frank ASCAP—Wright, Forrest]  
"WHY DOES IT HAVE TO BE ME?" (2:40)  
[Leo Feist ASCAP—Sigman, Faith]  
TONY BENNETT  
(Columbia 40121; 4-40121)

TONY BENNETT

● Tony Bennett is bidding to make his hit streak two in a row and he has the top grade material to bat with on his latest release. With "Rags To Riches" aiming for the top seat, "Stranger In Paradise" looks like perfect followup material. Tony really sings his heart out on this end with a perfect supporting role by Percy Faith's ork and chorus. "Why Does It Have To Be Me?" is a beautiful backing that Tony and the chorus express with feeling. A wonderful song presented with polish.

"CHANGING PARTNERS" (2:49) [Porgie BMI—Darion, Coleman]  
"I'LL ALWAYS BE IN LOVE WITH YOU" (2:58) [Shapiro, Bernstein ASCAP—Ruby, Green, Stept]  
KAY STARR  
(Capitol 2657; F-2657)

KAY STARR

● Kay Starr has another strong bid for a two-sided clicker on this latest platter that features the thrush at her best. "Changing Partners" is a sincere waltz given all the heart the artist's voice can garner. And the results label it a top contender. With a chorus again assisting, Kay leans into a solid blues reading of a great standard "I'll Always Be In Love With You," on the other lid. The rhythmic quality in her voice makes this side a stand out. Harold Mooney's ork assist on both grade "A" sides. A perfect coupling.

## JOE LOCO QUINTET

(Tico 193; 45-193)

**C+** "I'M IN THE MOOD FOR LOVE" (2:30) [—McHugh, Fields] With a subtle mambo rhythm backing, Joe Loco lends his soft touch on the piano to a pretty standard. Mood music throughout. Can listen to this for hours.

**C+** "ALWAYS" (2:25) [—Berlin] Another great oldie is treated to the Loco touch. This soft and warm keyboard work is perfect for the quiet spots and romantic atmospheres.

## JIMMY LEYDEN SERENADERS

(MGM 11615; K-11615)

**B** "WE'RE HAVING A GOOD TIME" (2:43) [Hawthorne ASCAP—Coben, Green] A march tempo bouncer with a happy-go-lucky Irish air gets a real raucous party treatment from Jimmy Leyden's Serenaders. Good stuff for a gay time.

**B** "THE GIRL OF TODAY" (2:30) [Trinity BMI—Leyden, Green] Bernie Nee handles the vocal on this amusing recital on the modern woman. A catchy instrumental with novel idea.

## CAMARATA ORCHESTRA

(Decca 28882; 9-28882)

**C+** "WILLOW WEEP FOR ME" (3:21) [Bourne ASCAP—Ronell] Camarata waves the baton as he leads the Kingsway Symphony orchestra through a soft and dreamy item. Lush and pleasing.

**B** "WALTZ THEME" (2:53) [Sam Fox ASCAP—Addinsell] The conductor has some top notch material on this end in the beautiful theme from Noel Coward's "Blithe Spirit." A lovely waltz melody romantically portrayed.

## RAY MARTIN ORCHESTRA

(Essex 335; 45-335)

**B+** "BEGORRAH" (2:33) [Southern ASCAP—] A top notch engineering job is one of the highlights of this English recording by Ray Martin. It's a beautiful arrangement of a super lush instrumental. Has a lively bounce to it.

**B** "HI-LILI HI-LO" (2:36) [Miller ASCAP—] A slow and inviting waltz melody from the current hit flicker "Lili" gets the smooth string fashioning of the Martin ork. Tune could still happen although previous attempts have failed.

## DAVID WHITFIELD

(London 1386; 45-1386)

**C+** "ANSWER ME" (2:28) [Bourne ASCAP—Winkler, Sigman] With the assistance of Stanley Black and the ork, David Whitfield leans into a pretty ballad, in a semi-religious vein. Should do well in England if not banned as rumored.

**C+** "BRIDGE OF SIGHS" (2:47) [Pickwick ASCAP—Reid] David belts out an emotional and tormented reading of another pretty ballad with Johnny Douglas' ork supporting. Potent job.

**B** "AND THE ANGELS SING" (3:11) [Bregman, Vocco & Conn ASCAP—Mercer, Elman] A special release of Benny Goodman's 1939 waxing of a great standard is re-issued. A top grade version of the tune with Martha Tilton vocalling.

**C** "BUMBLE BEE STOMP" (2:49) [Robbins ASCAP—Henderson, Woode] Here is another solid beat instrumental waxed back in '38 by Benny and the ork. High speed version of a solid oldie with Goodman at his best on the licorice stick.

## HARRY JAMES ORCH.

(Columbia 40113; 4-40113)

(Epic 9003; 4-9003)

**C** "JUST FOR TWO" (2:17) [B. F. Wood ASCAP—Ellis] An inviting waltz item is set to music by the lush ork of Jeff Morley. A good piece of dance music on the soft side.

**C** "THE EPIC WALTZ" (2:26) [B. F. Wood ASCAP—Ellis] More lush and lovely mood music, is smoothly presented by the crew. Melody stems from the "The Big Prevue" show. Good listening for relaxing.

## JUDY VALENTINE

(Epic 9004; 4-9004)

**B+** "SHE WAS FIVE AND HE WAS TEN" (2:38) [Roxbury ASCAP—DiNapoli, Burnett, Feller] With Bill Leavitt supplying the child's bed time backing pert voiced Judy Valentines sings a pretty ditty in her childish voice. Lyrics are terrific and could make the sweet thrush click.

**C** "A RIDE IN SANTA'S SLEIGH" (2:42) [Roxbury ASCAP—Leavitt, Giambusso] The thrush chirps a happy ditty as she tells a story of riding in Santa's sleigh. A cute holiday bit that could click.

## FLETCHER PECK TRIO

(Decca 28924; 9-28924)

**C** "THE GUY WITH THE VOO-DOO" (2:16) [Duchess BMI—Freeman, Peck] Some special material is presented in a humorous fashion by the Fletcher Peck trio. Cute item which got a good start via Godfrey show promotion.

**C** "BEANS" (2:24) [Albacore ASCAP—Peck] As the title might suggest, the tuba takes an important part in another novelty delivered in cornball fashion. Cute piece that should get laughs.

## THE CASH BOX SLEEPER OF THE WEEK

"WHY" (2:48)

[Ivan Mogull ASCAP—Shapiro, Feyne]

"A FLASH IN THE BLUE" (2:24)

[Belfry BMI—Stevens]

KAREN CHANDLER

(Coral 61088; 9-61088)

KAREN CHANDLER

● The "Hold Me, Thrill Me, Kiss Me" girl, Karen Chandler makes her strongest showing since her

initial smash, with a lovely ballad that could soar right up to the peak. It's a beautiful romantic item labelled "Why," which features the thrush at her sparkling best. Every line of the inspired reading is loaded with feeling and capping the top quality rendition is the fitting choral backdrop with Jack Pleis' ork supplying the atmosphere. Looks like another big one. Flip is an unusual item tagged "A Flash In The Blue." It's an interesting bit of special material that shows Karen's versatility. Could be a great show number. Look for "Why" to go big.

## TITO RODRIQUEZ ORCH.

(Tico 203; 45-203)

**C** "LA ENGANADORA" (2:30) [—E. Jorin] A smoothly delivered piece of mambo material is styled in the Tito Rodriguez manner. A good rhythm number fitting for the right locations.

**C** "TREMENDO CUMBAN" (2:31) [—Pena] An appropriate vocal takes the foreground as the crew supports with some more mambo rhythm.

## EDMUNDO ROS ORCH.

(London 1374; 45-1374)

# THE BENIDA STORY

## NEW RECORD COMPANY

Once upon a time there was a brilliant artist and repertoire director who wished that some day he would be with a record company where he would have a free hand to present fresh musical talent. A company where the new was not rejected simply because it had not been done before. His musical background included years of arranging-composing-conducting for the nation's leading recording artists. The man—Dewey Bergman.

## NEW IDEAS

A group of men came to Dewey Bergman one day and said, "We believe in you and feel you should have a chance to follow through on your ideas. We are forming a record company and we want you to run it as you see fit." And that is how Benida Records was born.

## KEY EXECUTIVES AT BENIDA

Elected Vice-President in charge of artists and repertoire, and general manager of Benida Records, Dewey Bergman promptly began building up an alert ambitious organization. Paul Brown, with 15 years of record exploitation to his credit was named production manager. Frank Lohmann, schooled in broadcasting and motion picture. Recording headed a department to provide concentrated service to music machine operators. Sidney Ascher, experienced in public relations for both artists and record companies, was chosen advertising and public relations manager.

## NEW TALENT

Dewey Bergman listened to scores of singers before he signed handsome young Mark Stuart as Benida Records first artist. Bill Stegmeyer, an excellent triple threat talent composer-arranger-conductor, became Benida's musical director and assistant A. & R. Dewey Bergman will also be actively engaged in conducting and arranging. And of the many girl singers available, lovely Mary Mayo was selected to record for Benida. Then, to round out Benida's roster of fresh young musical personalities Bob Dewey's orchestra was inked to a Benida contract.

## DISTRIBUTORS SIGNED

Having launched the Benida organization, Dewey Bergman, a firm believer in the personal touch, took to the road to check on distribution. He was greeted with great enthusiasm wherever he went and found that distributors were eagerly awaiting the Benida line.

That's the Benida story in a nutshell. The first Benida releases were scheduled for November 16th. Advance reaction is excellent.

## THE CASH BOX ROUND THE WAX CIRCLE

### NEW YORK:

Plenty of music people turned out at Toots Shor's last Wednesday to greet Frank Chacksfield. He's here for three weeks to promote his London disks. . . . Wendy Waye has been signed by Coral—her first major diskery contract. . . . Bud Brandom in town working on Fran Warren's latest disk, "If I Could Have You Back Again" and Lou Monte's "A Baby Cried." . . . On 42nd Street and Eighth Avenue, there's a games arcade with a juke box filled completely with classical records. The owner of the arcade says his patrons have been playing those classical disks continually. . . . Brownie Lassner, agent-hubby of Eileen Barton has offered a major label recording contract to MCA agent Larry Funk, which is something of a switch. . . . Anne Fuchino has joined the promotion department of RCA Victor. . . . Vic Damone opened for ten days at Chubby's. . . . Al Levine, New York district sales manager for Capitol, is the father of a new baby. Named Martin. . . . Cathy Collins has been chosen as Sammy Kaye's new vocalist. She joins the orchestra in Oklahoma City during Kaye's 60 day transcontinental tour. . . . Marilyn Mills of Coral Records has just returned from a promotion tour to the coast and back working on her disk "Till They've All Gone Home" and "Darling Come Home." . . . Anyone in need of a good secretary will be interested in knowing that Zelda Samuels, who used to be at Coral, is available. . . . Pee Wee King in town to do the Kate Smith Show. . . . Calls to Hometown Music are being answered by the staff with "This is Ebenezer Scrooge." This is the tieup in connection with Teresa Brewer's new Coral release of "Ebenezer Scrooge." Sid Prosen, head of Hometown, also has a gimmick to have a man on stilts walk up and down Broadway with a sign promoting the title. . . . Al Neely of Allied Records looks as though he has a hit to follow "Say You're Mine Again" with "Little Miss One" by Jerry Wallace.

### CHICAGO:

Sidelight in a star's career. The story of Mike Cornello. Mike's 90 years old. Worked New York's garment center (34th & 7th) for over 70 years. The Italian, Mike speaks Jewish, as well as any of the Jewish boys. Has spoken it for almost all the 70 years he worked in the garment center. In fact his job was making garments for many a noted New York Rabbi. Mike is now retired. Retired by his singing son, Don Cornell. Who retired him after his very first disk clicked, "I'll Walk Alone." Just a sidelight. But one we tho't might give you the same grand, warm feeling it gave us. . . . Darrell Glenn and Jerry Crocker having Darrell's new clickeroo disk plugged all over our town. . . . Mrs. Mary Gillette, noted juke box op and record retailer, entertaining her employees, Charlotte Hughes and Margo Clac at Linn Burton's Steak House, where Charlotte, whose birthday it was, got to meet disk stars who were present. . . . Dirk, and the very beautiful and charming Mrs. Ann Courtenay, enjoying Linn Burton's steaks with Mr. and Mrs. Al Aldridge, Ernie Roth and Don Cornell. . . . Larry (Decca) Green pops in after midnight. Just returned from his Pat Morrissey tripper. . . . Al Chapman absolutely in a tizzy while telling all about Gordon Jenkins' "Seven Dreams" album. . . . Raves about town for that oldest of oldies "Heart Of My Heart," by Desmond, Dale & Cornell, as well as for Al Alberts and the Four Aces. . . . Guests on Howard Miller's TV show, the greatest woman athlete in America's history, now playing her harmonica, Babe Zaharias and her partner, Betty Dobbs, plugging their first Mercury disk, "I Felt A Little Tear Drop Start." . . . Postcard all the way from Fairbanks, Alaska, from the former Russ Morgan's blonde bombshell, Manon Smith, who reports she's now a brunette and doing a 4 week stint 'way up thar. . . . Mae Williams opens at the Jefferson Hotel, St. Loo. First in a string of Hilton shots. And her "Pizza Polka" already stirring St. Louis' music men. . . . Glory Fox, who does public relations for Bud Brandom, all excited over the song she wrote which has just been waxed. Bud is also plenty happy about his latest, waxed by Lou Monte, "A Baby Cried." It's getting plenty attention. The Brandom pubbery booming right along.

### LOS ANGELES:

## Humility Can Now Be Heard On Disks

LINDEN, N. J.—With the word 'humility' on the lips of every person in the country, due to the La Rosa-Godfrey split up, Monarch Records has hopped on the popular word with a recording by Ruth Wallis labelled "Dear Mr. Godfrey."

It's a novelty in which Ruth asks Godfrey to make her a star by hiring and firing her. The ditty was not only recorded by the thrush, but also written by her.

The 26-year-old artist, who has been in show business for a number of years, was discussing the Godfrey-La Rosa episode like millions of other people when she chanced to remark that other young performers like Julius could use a similar break. This started the idea.

Wednesday, Ruth wrote the song. Thursday, lead sheets were made and an arrangement was set for the recording session. Friday afternoon the session was held. On Saturday night and Sunday, records were shipped to all the Monarch distributors throughout the country. By Monday, five distributors had reordered.

As for the record—it's a good natured kidding in the spirit of clean fun, in the American tradition that no guy is too big to take a ribbing.

## Dreyfus Denies Retirement Rumor

NEW YORK—Max Dreyfus, head of Chappell Music, this week categorically denied a rumor reported in The Cash Box last week that he was planning to retire.

Dreyfus said that he and his brother will continue running the company as they have in the past.

Moreover he said that he personally feels fine, loves the business and has no intention of ever retiring from it.

## Flanagan-Morrow Plan Combined Concert

NEW YORK—Ralph Flanagan and his orchestra and Buddy Morrow and his orchestra will give a combined concert at the Michigan State Fair Colosseum in Detroit on Saturday, December 19.

Herb Hendler, who manages both bands, stated that he expects this to give a strong boost to the band business in general for not for a decade have two big name bands appeared together.

It will be called a Dance-Combined Band Concert. And if it's successful, Hendler stated that the two might then undertake a tour together.

The program will consist of special arrangements for ½-hour concert with the combined musicians playing together and Flanagan and Morrow alternating at the helm.

## Ed Burton Forms Own Pubbery

NEW YORK—After four years with Hill and Range, Ed Burton has left the firm amicably. He has opened his own BMI publishing set-up, Edgar Music, and will work in the pop, country and children's field.

Burton said that he is also planning another BMI firm which will deal in a uniquely specialized field.

His first release for Edgar Music is "If You Should Leave Me" by Frank Reardon on Coral.

## What A Title!

NEW YORK—How's this for a title: "Dedicatory Piece To The Crew And Passengers Of The First Experimental Rocket Express To The Moon?"

Well, whether you believe it or not, it's the title of Raymond Scott's newest original which Audivox will release within the next two weeks. Disk will be available both in an EP package and as a single coupled with "Bird Life In The Bronx." Both are instrumentals.

## Silver, Hoffman New Team

NEW YORK—Abner Silver, top-flight tunesmith who collaborated with Benny Davis on such tunes as "With These Hands" and "I Laughed At Love" now teams up with Al Hoffman, author of such hits as "Takes Two To Tango," "Mairzy Doates" and "Baked A Cake."

The new duo of Hoffman and Silver has already placed its first tune, "Native Dancer," with publisher George Pincus. First disk on the tune, cut by Rusty Draper on Mercury, has already been released.

## Carlton Reports Victor Biz Buzzing

NEW YORK—Joe Carlton, pop A&R head of Victor, revealed this week that things were buzzing at the diskery.

Not only are current sales high with such disks as "A Baby Cried" by Lou Monte, "You Alone" and "Papaya Mama" by Perry Como, "Many Times" by Eddie Fisher, "Santa Baby" by Eartha Kitt and "Mystery Street" by June Valli leading the way, but Carlton has several new disks about to be released which have hit possibilities.

Last Thursday night, he teamed up Sunny Gale and the Du-Droppers in one of the striking combinations of the year. He has also signed the Mary Kaye Trio to a contract. And in addition he has cut the Fontane Sisters in "Kissing Bridge" which will have a promotional tie-up with Chesterfield Records. It will have a mystery voice in the middle of the disk, a prominent artist who will receive no billing. The gimmick will be to guess who.

## Dispositions Made Of Sunflower & Ivy Firms

NEW YORK—Jack Perrin reports that after negotiations of a year, dispositions have finally been made of the Ivy and Sunflower music firms in which he was a 50% partner with Max Dreyfus. The deal calls for Ivy Music to remain with Dreyfus while Sunflower Music goes to Perrin along with a cash settlement.

In addition to running Sunflower, Perrin has started a new BMI firm called Perco Music with headquarters in the Forrest Hotel.

RCA VICTOR  
FIRST IN RECORDED MUSIC**Leonard Finds "Cash  
Box" Show Pays Off**

FRAMINGHAM, MASS. — Roy Leonard, disk jockey at WKOX in Framingham, Massachusetts added "The Nation's Top 50 Best Selling Records" list, reported in The Cash Box, to his three hour a day "Roy With Records" show and wrote us a letter telling of its effect on his listenership.

"I received mail from places I never knew got our signal," says Roy, "And the overall response was tremendous. The spirit of competition and the interest caused by a record's rise or fall, as shown on The Cash Box chart, adds to a disk show, that certain air of excitement that makes a listener more attentive and interested enough to tune in again. I'm indebted to Cash Box for supplying me with the basic material for a feature that will long be a part of "Roy With Records."

Roy, who joined WKOX, a year ago this month, has built up one of the strongest DJ shows in New England. In addition to his afternoon show, he spins a halfhour of the "unusual" in music each day at noon, featuring good jazz, film music and semi-pop instrumentals. He also has a daily fifteen minute stint for Coca-Cola. Not content with just the popular field of music, Roy produces and narrates "The Music You Want," each Sunday featuring RCA Red Seal recordings.

With air-time, record hops, personal appearances and little theatre work on the side, Roy Leonard has become one of the busiest deejays in the Central Massachusetts Area.

**What A Year!**

NEW YORK—MGM thrush Joni James, having recovered completely from a recent attack of ptomaine, relaxed over the weekend with her pet poodle, Mignon, a gift from her manager Tony Acquaviva. The Halloween shindig took the form of a "birthday" celebration for Joni, coming as it did at the close of her first recording year. And WHAT a year it was.

Joni rang up an impressive mark of six consecutive MGM disclicks; a "run" which is still running! Three of the six, "Why Don't You Believe Me," "Have You Heard" and "Your Cheatin' Heart," passed the million mark! The grand total, with all returns not yet counted, surpasses five million copies!

**Four Lads Make It  
With "Istanbul"**

NEW YORK—The Four lads, the young vocal group whose newest hit, "Istanbul" on Columbia is their biggest seller yet, have one of the entertainment world's most fascinating stories. The Lads consisting of Connie Codarini, bass, Frank Busseri, baritone, Jimmy Arnold, first tenor and Bernie Toorish, second tenor and arranger, hail from Toronto, Canada and were all sent to the Cathedral Choir school by their parents. There, the boys spent several years getting a musical education. Unlike their fellow students at the school, these boys were jazz fans and loved to sneak in a few licks of hot harmony between hymns. They were discovered singing together in a small Toronto night club a few years ago, by Mike Stewart, who had guided another quartet, The Goldengate Quartet, to International success. Stewart paid their way to New York, bought them wardrobes, worked out an act for them and booked them into the Reuban Bleu, where they were an immediate hit, and were held over for thirty weeks.

**Jubilee Signs Prima**

NEW YORK—Jrry Blaine, president of Jubilee Records this week announced the signing of Louis Prima to an exclusive recording contract. Prima had formerly been with Columbia.

His first release on the Jubilee label will be "Man Dig That Crazy Chick" backed with "Noncha Shane."

Have just recovered from the Tin-Pan-Alley Ball and it was a swell do with everyone in the gayest of spirits. One would have thought that everybody had a hit! This week's topic of conversation is the clever move by young Alan Freeman (A&R man for independent Polygon label) who cut a couple of sides with the most talked about femme in town. Her name? Why Eva Bartok, of course! Titles waxed seem most contravertial "Kiss Me" and "Don't Touch Me". What's more, yours truly heard the tests and can only describe them as "SEXsational".

Almost definitely opening the new vaudeville season at the London Palladium is Nat "King" Cole. It is with amazement that I follow Nat's ever growing popularity and feel I must congratulate him on consistently making good records. His latest, "Lover Come Back To Me", is a honey. Ella Mae Morse has a good disk out, "Oh You Crazy Moon" which will please the Hep Cats and that goes for the first Jaye P. Morgan release of "Wasted Tears". This gal shows promise and with a name like that, should show a big bank account too! I hear Percy Faith cut a number which is an oldie over here called "Everybody Likes Saturday Night". If it's the same calyso I'm thinking of, it should catch a lot of spins as it's a great favorite over here.

It's always a pleasure to hear that Lena Horne will be visiting these shores in the early part of next Spring.

Although not quite settled in yet, the new twenty piece Johnny Dankworth band looks like its becoming one of the best bets in the music business of the immediate future. It seems that my mention of a number called "The Creep" has aroused some kind of interest in the States. . . . Did I hear some-one mention Ray Anthony? We are looking forward to the "Band Wagon" picture and also to a well publicized movie "From Here to Eternity" both to be preemed next week.

I hear that some of your disk jockeys have been receiving a mystery disk. the two songs being "The Moon Is Blue" and "I Love Paris" with no mention of artist name on the label. Something tells me it's the Woody Herman band. Right? Jack Hylton has now set the deal to present "Pal Joey" over here in the new year and I believe he secured the services of U.S. star Harold Lang. Character actress Margaret Rutherford and comedian Frankie Howerd teaming up for the Philips label on a little epic called "Nymphs and Shepherds" by Purcell. But I hear that this arrangement is long after Purcell. The accompaniment on this etching will be provided by a flute, harmonium and a flock of sheep. And the whole thing is in the key of BBBAAHHHH!!!

# Best Selling Records

FROM MORE THAN 15,000 RETAIL OUTLETS!

• Tunes are listed below in order of their popularity based on a continuing weekly national survey of thousands of record dealers by Jack "One Spot" Tunniss. Each listing includes the name of the song, record number, artists, and tune on the reverse side.

• The number underneath the title indicates the actual sale per 1000 records made for the week. If the figure is 67.4, it means that for every 1000 records sold that week, 67.4 were of the tune indicated—a combination of all the records on which it was available.

## "Toys"

NEW YORK—Eileen Barton, Coral songstress, is doing so well with her recording of "Toys" that a "Toys" blouse has been designed and produced in her honor by the Sidney Heller Company of New York. Eileen is shown here listening to "Toys" while wearing her "Toys" blouse ("Toys" that is).

## Chacksfield Feted On Arrival Here

NEW YORK—Frank Chacksfield, London Records artist, was welcomed by members of the music trade, last Wednesday November 4, at a cocktail party in his honor at Toots Shor's Restaurant in this city.

Disk jockeys, members of the trade papers, juke box operators, record distributors, artists, publishers and record distributors were there to say hello to the artist whose recordings of "Limelight" and "Ebb Tide" made him one of the most important record names in the country.

Chacksfield, also here to promote his latest recording of "Golden Violins" and "A Girl Called Linda," will make radio and television appearances during his three week stay in this country.

## Nola Leases Steinway Hall Penthouse

NEW YORK—In response to the demand for studios capable of recording large orchestras, Nola Recording Studios has leased the penthouse of the Steinway Hall Building. At the same time additional space has been rented on the sixth floor of the building, making it the ninth recording studio in the expanding Nola domain.

Nola's Penthouse Studio is designed to accommodate the broadcasting and advertising agency clientele attracted by the "full range" recording system recently introduced. The new studio boasts 3,100 sq. ft. of floor space and a very high ceiling. At present custom engineered equipment is being installed and the facilities are being readied for a November 16th opening.

Vincent J. Nola, president of Nola Recording Studios, started twenty years ago with a single studio to accommodate the name bands who used his rehearsal halls. There are now nine recording studios, two film sound mixing rooms, as well as a completely equipped motion picture studio.

Thanks

It's not my plug tune but I want to thank all the deejays in this territory for their kind help and many spinings for me as Record Promotion Manager for Mercury and Okeh Records through David Rosen, Inc., the distributor. Will be seeing you again real soon with something new in record talent.

## Victor Plans Big Yuletide Push

NEW YORK—"The Sound Of Christmas Is Better This Year" is the slogan around which RCA Victor is building its three-way Yuletide advertising campaign; a program which will be carried in national magazines, local co-ops, and network radio and television shows.

The slogan calls attention to Victor's Christmas releases and the all-out emphasis on high fidelity recordings.

The highlight of the promotion program is a new supplement, listing over 400 "New Orthophonic" high fidelity recordings. Ads in all media will inform the consumer of this supplement which can be obtained at the retailer's store where at the same time he will be exposed to the point-of-sale advertising.

The cover of this supplement is available in either a Christmas or a non-seasonal cover so that it may still be used after the holiday season.

National magazine ads will begin running in November in six different periodicals. Point of sale aids will include displays suitable for counter and window use. Easles on which the dealer may include merchandise of his own choice will accompany the displays. Three 12" x 36" color hang-ers will round out the point-of-sale promotion.

"Your Show of Shows", "The Denis Day Show", and the "Phil Harris and Alice Faye Show" will be the three network programs on which the campaign will be stressed.

## TORONTO TOPICS

The Town Criers back to their hometown and their original stamping grounds, The Town Tavern. They spent most of the past year in the U.S. where they added further gloss to their polished presentations and the Cleveland guitarist, Jimmy Palk. We hear they will soon be recording in their own

WOODY HERMAN

right. Up to the present time, their work has just been backing up other platter stars. . . . Also back in town are Bill Long And The Border Jumpers (Quality-King records) for a month's stay at The Holiday. Along with Bill and personable Madelaine Bonin are two new border jumpers, Jesse Goins and Herbie Dooley who made an immediate hit with the local fans of this group. . . . The Colonial continues to ring the bell with its current attraction Woody Herman And His Third Herd (Quality Records). Here is one group that is pulling out the older, money-spending patrons as well as the younger folks, and the Colonial till has been bulging with the "take." Along with their good music, the band has been intriguing local interest with its use of a bass trumpet, which is an innovation in local musicmaking. . . .

A new addition to the local night life is the Hotel Torontonians' Patio Room which opened last Thursday. This seems to be "return engagement week" hereabouts. Adding to those playing repeat dates here are the Four Dukes back again at the Silver Rail. . . . Ed McNeill is now playing piano at the Spadina Hotel. . . . The word-of-mouth advance on "Les Petits Chanteurs & La Croix De Bois" indicates that this famous Parisienne Boys' Choir will play to S.R.O. at their concert at the Eaton Auditorium on November 11th. . . . Cliff Wingrove, CKTB, St. Catharines, has been one of the busiest men around this town this past week. As President of the Central Canada Broadcaster's Association which has been holding its annual convention here at the Royal York and as mentor and guide of Abbie Andrew's and His Canadian Ranch Boys, who have been re-booked on the CBC network, Cliff's activities have been varied to the extremes. . . . When your scribe dropped in on the CCBA meetings, he saw many old Broadcasting friends attending. Prominent were—Art Dupont, CJAD, Montreal; Gordon G. Garrison, CKLB, Oshawa;

## MONTREAL MEMOS

Norman Brooks doing rush date at the Gatineau Golf & Country Club in Ottawa prior to his Copacabana engagement. . . . Phil Rose, Coral Sales Manager, came up with a cute promotional gimmick. With the disk jockeys' copy of their 3-D recording of "Heart Of My Heart," he sent out 3-D viewing glasses and a card saying "Here's how Coral sees it. A hit!" . . . Louis Jordan into the Seville Theatre in late November. . . . Don Johnson back from a hurried trip to the Maritimes where he was promoting the many labels he distributes under the name of Metrodisc. Firm handles MGM, Quality, Coral, Mercury, Remington, and Rodeo records in Eastern Canada. . . . Quality Records holding a sales convention in Toronto, November 5th and 6th. . . . Art Leonard, CJAD disk jockey, delirious about his friend Bernie Wayne's new recording of "Zsa Zsa" and "Passionata." . . . Every hillbilly in town patiently waiting for Hank Snow's opening November 12th at the Seville Theatre. This is the first time hillbilly talent of this stature has been booked into the Montreal area in years and the local country artists are certain that Snow will be a tremendous success and open up further opportunities both for the local acts and other headliners in the country field. . . . Johnny Desmond's recording of "Woman" off to a flying start. Much of the credit for this can be attributed to Desmond's great public relations job on his recent visit to Montreal.

## Finalist Entries Received By Wurlitzer-Laine Contest Judges

N. TONAWANDA, N. Y.—Transcriptions of the voices of local area winners in the Wurlitzer-Laine Vocal Scholarship Contest are being received daily at Columbia Record's Seventh Avenue headquarters where the decision of a final winner will be made. Many of the recordings are accompanied by enthusiastic letters of recommendation from the disk jockey, the Columbia or the Wurlitzer distributor involved. Several gimmicks have been tried in an attempt to focus the judges' attention more favorably on a specific entrant.

D. J. "Joe" Barton, manager of the Jacksonville office of Bush Distributing Company, Wurlitzer outlet for that area, added a P.S. to his letter of transmittal of a recording by Lawrence McKenzie. Said Joe, "To express our sentiments, we have insured this record with the Post Office for the amount of the first place winner." In further describing the Jacksonville activity caused by the contest, Barton said, "We started receiving so many entries that Dick Webb, the disk jockey handling the program, set up mass auditioning to eliminate some of the contestants before they made recordings. When Larry's recording was played over our local radio station, WIVY, that station was so swamped with calls making different inquiries about his voice that the telephone company asked the station to make an announcement over the air that would further discourage calls of this nature."

In another letter describing his reaction to the same area winner, Dick Webb, disk jockey at WIVY, gave this impression of the audience response. "Larry has really set pulses beating . . . and hearts melting in the short time he has been entered in the vocal contest. The day Larry recorded his song for the contest, people began to get excited! The technical advisor to the contest, Wallace Ybanez, said, 'That's our boy!' We gave the disk a spin on my 'Backroom' platter show and the phones rang off the receivers. It appeared that Larry had a definite appeal to the teen-age crowd as well as to the listening housewife and homemaker."

From Denver, Colorado, R. B. McAlister of Radio Station KGMC thinks that he, too, has a winner. The Denver judges, Mike Savio of Wurlitzer, and Dick Phillips of Columbia, aided by the disk jockey selected from among 58 entries the record of Roxie Rotello, who sang "Outside of Heaven". The presentation of the \$100 award was made on November 1st over Station KFEL-TV on a show called "Wax Facts".

Paul Brenner of Station WAAT, Newark, New Jersey, reported that his winner, as yet unnamed, will be chosen by the viewing audience after the presentation of several leading contestants on a television series which Brenner m.c.'s. With over 2,000 requests for entry blanks, Brenner is still wading through a stack of what he indicates is "mighty likely talent".

Miami, Florida, has been heard from with the report that Harry Burge of Station WQAM received records which

were acceptable from over 60 contestants. The winner was Elaine Rubenstein of Coral Gables, Florida, who, says Harry, "Is a beautiful girl and has an outstanding voice". Her song was "Vaya Con Dios" done in an original style. Miss Rubenstein appeared on a 15 minute broadcast with Burge and Ozzie Truppan, local Bush Distributing manager. Her record was played for Miami listeners on the "Juke Box Serenade" program.

In Buffalo, New York, where Station WEBR blankets the area in which Wurlitzer phonographs are manufactured, Bob Wells, the sponsoring jockey, with Ken Gill, Courier-Express music editor, and Steve Vukelic, Wurlitzer distributor, chose the voice of Charles Caci as being the most promising.

As reports continue to come in, Jerry Adams of Oakland, California, was declared winner by dee jay Wally King and the judges for Station KSFO. From Des Moines, Iowa, Al Rockwell wires that the KRNT committee selected Charles Hartley to represent that territory. Robin Seymour of Detroit, reporting 755 entries, announces that the committee decision was Nick Siagkris, whose disk has been forwarded to New York. Houston, Texas, has come up with another singing Miss named Connie Sones, who was chosen by Paul Berlin and the KNUZ Station judges from among 147 entries.

The 40 participating disk jockeys have been asked to have their winning transcriptions, together with a photograph of the winner in the hands of the New York Judging Committee not later than November 10th. As soon as the decision is reached, the winner will be brought to New York where Columbia will record the voice for pre-holiday season distribution.

Plans are underway to present the \$1000 first prize award on a nationwide television show. Further details will be announced as the plans crystallize.

## "Magdalene" Now Has 20 Recordings

NEW YORK — Rex Music's song "Magdalena" which cannot yet be classified as a hit tune, has as many recordings as some standards, with more versions soon to be released.

There are four versions which were recorded in South America, Cuba and Mexico and nine renditions of the tune cut in the United States. One recording was made in Italy, and will soon release renditions, almost every major diskery will have hopped on the song.

The pubbery reports that early in November, Capitol will send out Les Baxter's version with Betty Reilly handling the vocal, which will be followed by a Frank Murphy vocal of the tune on the new Epic label. Early in December, Xavier Cugat's rendition of the tune will hit the market. This will bring the total close to twenty.

## NEW YORK:

Lots of names showed up at the opening broadcast of Dr. Jive (WWRL-New York) from the Club Riviera in Brooklyn. Among those who attended were Jerry, Elliot and Ben Blaine, Jubilee Records; Lee Magid, head of the newly formed Central Records; Herman Lubinsky, Savoy prexy; Teddy Reig, A & R for Savoy who replaced Magid when he moved over to Central; Sonny Gale, RCA Victor thrush; The Checkers, King Records; King Mozian, MGM Records and Buddy Friedlander, record promotion for Mercury Records. . . . Peacock Label spiritual artists set for a busy autumn. The Sensational Nightingales open a four state tour in Arkansas, then Louisiana, Kentucky and Indiana in that order. The Bells of Joy package up with Sister Jessie Renfro for several dates in Tennessee and The Southern Wonders will tour Ohio and Kentucky. All four are currently out with new releases. . . . Lee Magid has things buzzing his first week at Central Records. He's already signed Emmett Jopson, male blues shouter and Georgia Lane, young thrush out of Cleveland. Rehearsals for the first Central session are already under way. Lee went to Philly over the weekend to scout talent. With him was Eddie Wilcox, great Derby arranger, who visited jocks on the current Derby hits, Bob Dini's "Sometime" and Jaye P. Morgan's "Just A Gigolo." . . . Joe Davis looking to a great Xmas season. "Otis Blackwell's "Daddy Rollin' Stone" should make the charts in a week a two," says Joe. In addition the Crickets "I'm Not The One You Love" and "Fine As Wine" after a slow start is beginning to show a strong surge with order coming in at a smart pace. And, of course, Joe's Christmas entry, Irene Treadwell's "Dear Santa, Bring Back My Daddy To Me." . . . Joe Loco put a Locoish treatment of "Blue Pacific Blues" on wax for Tico Records that's going to mean more laurels for the already popular keyboard flash. Tune's from the flic "Sadie Thompson." . . . Joe Glaser signed The Ebonaires after watching them knock the Apollo audience cold. . . . Herman Lubinsky, Savoy bossman, excited about his new Babs Gonzales release "Get Out Of That Bed And Get Me Some Bread." Herman cut top Savoy thrush, Varetta Dillard, this week and says the next release should be a humdinger. . . . Is there anyone as hot as Atlantic Records? Blues diskery is currently riding with six smashes. Artists The Clovers, Ruth Brown, The Drifters, Joe Turner, Ray Charles and LaVerne Baker are all in the charts. . . . Ernie Crowder's initial R & B entry on Ruby, "Tread Lightly" and "Night Watch" by Bobby Smith, creating a fuss in New York, New Jersey, Philadelphia and Baltimore. . . . New Faye Adams on Herald release has bossmen Al Silver and Jack Angel in a tizzy. Orders have been snowpiling in but the reaction has been split between "Happiness To My Soul" and "I'll Be True." Can't tell at this point which side will step out. Man, that's trouble. "Should happen to me" say sixty eight other wax-houses. . . . Sid Siegel, Seeco topper, elated with the reception the trade has given his special St. Nick series of L. P.'s and singles. The releases are made up of Latin American Christmas favorites using some of Seeco's leading artists, Bobby Capo, Elsa Miranda (Chiquita Banana), and others. Seeco is moving along with preparations for the new subside R & B and Jazz label. Should make its bow in from two to four weeks. . . . Harry Apostaleris, Alpha Distributors, wants to bet "Baby It's You" by the Spaniels on Chance and "The Perfect Woman" by the Four Blazes on United make the New York list this week. Check it Harry. # RCA Victor Establishes Special Jazz A & R Dept.

NEW YORK—Plans have been formulated by RCA Victor to greatly intensify its coverage of the jazz field, according to George R. Marek, manager of the record company's artists and repertoire department.

In the coming months the record firm will be actively engaged in scouting new jazz talent and in combing its extensive catalogue for jazz reissues. Also in the offing is the issuing of previously unreleased jazz sides by great names in the field.

RCA Victor's jazz activities will be carried out by a special department, under Joe Carlton, manager of popular A & R. Carlton has designated Bill Zeitung, formerly of the promotion department, to head up the new activity.

Already under contract are two newly signed jazz names, Barbara Carroll and Shorty Rogers.

Buddy Morrow, Ralph Flanagan and the Sauter-Finegan Orchestra, all of whom have been under contract for some time, will be called on to record jazz discs for the new department.

Barbara Carroll's first disk, "I Want A Little Girl" and "From This Moment On" is scheduled to be issued in two weeks; the jazz pianist has also recorded an album for future release.

Shorty Rogers has three albums in the stores: "Shorty Rogers And His Giants," "Cool And Crazy" and "Hot Blood." The former trumpeter and arranger for Woody Herman and Stan Kenton uses a big band in "Cool And Crazy" and "Hot Blood" (from the Marlon Brando film of the same name) and a small group in "Shorty Rogers And His Giants."

RCA Victor's jazz re-issue program is already under way. Recently released were "Swingin' The Organ With Fats Waller" and "B.G." Waller, who is credited with popularizing the organ as a jazz instrument, is heard in eight of his best known organ sides, including "Don't Try Your Jive On Me" and "Come Down To Earth, My Angel." The "B.G." package is a single record "EP" with "Sing, Sing, Sing" on one side and "Pick-A-Rib" on the flip.

A two record "EP" package titled "Crazy And Cool" consists of previously issued discs by modern jazz names including Dizzy Gillespie, Charlie Ventura, Gene Krupa, Kenny Clark, Lucky Thompson and the Metronome All-Stars.

"The Sound Of The Sauter-Finegan Orchestra" has eight of the group's biggest successes in a two record "EP," with two additional numbers in the 33 1/3 rpm version.

Arne Domnerus, Swedish tenor saxist who clicked with his first jazz set for RCA Victor about a year ago is now heard in volume two of

"Around The World In Jazz—Sweden."

Future plans by the new department call for release of previously unissued jazz discs by names such as Duke Ellington, Tommy Dorsey, Sidney Bechet, Rex Stewart and Barney Bigard.

Setting the key-note for its renewed interest in jazz, RCA Victor recently sent a letter from Shorty Rogers to its full disc jockey list. In it Rogers told how he had come to be signed by the disk firm:

"The idea took root when RCA Victor decided here was a great chance for growth in my field of music—contemporary American music. I believe in this music. (It) is a reflection of our times in the only way I can say it—jazz. RCA Victor gave me a completely free hand as to choice of men and instruments. I wrote and arranged all the music. I am very anxious to have you listen, understand and like what we, the boys in the band, RCA Victor and myself have attempted."

The same mailing in which the Rogers letter was sent contained a query to jockeys, questioning their interest in jazz disks. With the replies RCA Victor plans to set up a completely new jazz mailing list.

**DIZZY GILLESPIE**  
(Atlantic 1011)

**C** "DIZ'S TUNE" (3:06) [Gillespie] Dizzy Gillespie etches a slow dreamy item on a progressive kick. Diz' horn featured.

**B** "GROOVING THE NURSERY" (2:54) [Joe Carroll] A quick beat story about nursery characters performed in lively fashion. Deck has possibilities.

**BUDDY JOHNSON**  
(Decca 28907)

**B** "TALKIN' ABOUT ANOTHER MAN'S WIFE" (2:55) [Sophisticate BMI] Buddy Johnson's great ork dishes up a quick beat fox trot with Geezil Minerve handling the intriguing lyrics solidly. A cute side with a chuckle and a great big hand to the Johnson aggregation.

**B** "JEANETTE" (2:41) [Sophisticate BMI] A swaying mood piece done to perfection. A lush opus lushly performed. Relaxing listening music for all markets. Smart 88ing and a wonderful horn.

**JIMMY SWAN**  
(Peacock 1622)

**B** "HEY NOW BABY, HEY" (2:34) [Lion BMI—J. Swan] Jimmy Swan belts a southern quick beat blues. Swan sings with feeling assisted by an excellent guitar. This deck could happen.

**B** "LAUGHING, LAUGHING BLUES" (2:45) [Lion BMI—J. Swan] The under deck is a slow blues effort. Swan emotionally tells his girl she's always on his mind. He's laughing just to keep from crying. A good platter.

**KING PERRY**  
(RPM 392)

**B** "WELCOME HOME BABY" (2:41) [Modern BMI—Perry] A wild quick tempo with King Perry elatedly singing that he feels great. His baby's coming home. A frenzied deck that's real crazy.

**C** "CARD PLAYIN' BLUES" (2:40) [Modern BMI—Perry, Smith] Under lid is a middle tempo bounce in which the chanter employs card terms to describe the story of his love.

**SQUARE WALTON**  
(RCA Victor 20-5493)

**C** "PEPPER HEAD WOMAN" (2:20) [Raleigh Music BMI—Walton, Kirkland] Square Walton moans a southern type slow blues about his pepper head woman. Chanter comes through in good style.

**B** "GIMME YOUR BANKROLL" (2:40) [Berkshire Music BMI—Walton, Kirkland] Another slow blues with novelty lyrics. Warns his gal she needs plenty of dough and if she goes broke he don't want her hanging around.

"I'LL BE TRUE" (2:39) [Angel BMI—Joe Morris]

**FAYE ADAMS**  
(Herald 419)

FAYE ADAMS

● With "Shake A Hand" still on top of the charts, Faye Adams

pitches her new entry into the ring. From the first note Faye proves she's no one shot but rather a gal with a great big future. Top deck, "Happiness To My Soul" retains the feeling that made "Shake" such a great plate. Faye sings it out with fullness and depth that hits with the force of a piledriver. Tune is a middle tempo bounce with romantic lyrics and a spiritual kick. Miss Adams also kicks up a sensational storm on the coupling, "I'll Be True". Tune is a similar tempo that opens with a bang. Side is a torrid big beat with loads of excitement. Two smash decks.

## CHRISTMAS AWARDS

"CHRISTMAS IN HEAVEN" (2:45)

[Ward Marks BMI—Billy Ward]

"RINGING IN A BRAND NEW YEAR" (2:12)

[Ward Marks BMI—Billy Ward]

**BILLY WARD AND HIS DOMINOES**  
(King 1281)

BILLY WARD & THE DOMINOES

● Billy Ward and His Dominoes come up with their holiday disk and the wax looks like sales and plays. The boys pair a Christmas side with a New Year ditty, both originals penned by Billy Ward. The upper, "Christmas In Heaven" is a slow tender holly decked love tune sweetly performed by the talented group. The flip, "Ringing In A Brand New Year", is a gay swinging middle beat chanted with lift and bubble effect that is perfect for the festive season. With the strong pulling power the boys have, this disk is sure to be a potent seller.

"SILENT NIGHT" (2:20) [P. D.]

"THE LORD'S PRAYER" (2:40)  
[Schirmer ASCAP—Mallotte]

**DINAH WASHINGTON**  
(Mercury 70263)

DINAH WASHINGTON

● Dinah Washington etches a standard pair of Yuletide items that will please her vast legion of fans. A pairing of "Silent Night" and "The Lord's Prayer" is meat for the religious and sentimental, as who isn't. The tunes that have been associated with Christmas year after year from childhood recalls to mind the tenderness, the joy, the festivities. Dinah is soft and reverent as she carols the two decks. A strong entry that will certainly garner its share of holiday disk sales.

**THE CINCINNATIANS**  
(Brunswick 84022)

**C** "STEP BY STEP" (1:51) [Theodore Wallace] The Cincinnatians etch a middle tempo religious item in smart fashion.

**C** "IN THE UPPER GARDEN" (2:01) Artis Conley flip is a slow inspirational item tenderly presented.

**CARAVANS**  
(States 128)

**C** "I KNOW THE LORD WILL MAKE A WAY" (3:00) The Caravans come up with a slow religious side. Soloist Albertina Walker sings softly with a light chorus assist. Tune becomes shouty about mid-way.

**C** "WHAT A FRIEND WE HAVE IN JESUS" (2:30) A similar item touchingly presented with Nellie G. Daniels handling the solo chores.

**TOMMY RIDGLEY**  
(Atlantic 1009)

**B** "OOH LAWDY MY BABY" (2:46) [Progressive BMI—Ridgley] New to the label, Tommy Ridgley chants a middle beat blues bounce about his no good girl who is really giving him the business. Blues shouter comes through smartly and looks like a promising find for Atlantic.

**B** "I'M GONNA CROSS THAT RIVER" (2:53) [Progressive BMI—DeVore, Sturgell] Flip is a slow rhythmic blues. Ridgley sings the melodic moody piece in potent fashion.

**CURTIS JONES**  
(Parrot 782)

**C** "COOL PLAYING BLUES" (2:41) [Benson, Jones] Curtis Jones sings a middle tempo southern blues effectively with strings providing the proper setting. Chanter has a good sound.

**C** "WRONG BLUES" (2:38) [Benson, Jones] Pairing is a similar item performed in ok fashion.

**FATS GAINES**  
(Big Town 108)

**C** "HOME WORK BLUES" (2:48) [4 Star Sales BMI—Geddins, Gaines] The Fats Gaines group etches a slow low down blues with Rose Johnson on the vocal. Miss Johnson warns her man that if he don't stop staying out all day and all night some other man will have his happy home.

**C** "HE'S A REAL FINE MAN" (2:34) [4 Star Sales—Geddins, Gaines] The gal is in a happier mood on the flip. She has a real good man and she's gonna marry him. Routine riff.

## Stars Over Harlem

King Records star organist Bill Doggett, whose terrific little combo is just about one of the busiest and most entertaining groups about, seen taking time out from his very busy schedule to say a quick hello-goodbye to Harlem jocks and retailers before cutting out to Camden, N.J. for two weeks. Then on to Philly where he and the gang invade Bill & Lou's nightery Nov. 16 to 28. . . . Babs Gonzales scrambling about like mad getting his latest Savoy pressing "Get Out of That Bed And Get Some Bread" around to all the spinners. . . . It was a real pleasure to chat with Louis Jordan at deejay Jack Walker's funfest Monday night. Louis, who moves out of Cafe Society for a stint at one of the top spots along the Great White Way, is really kept on the go. After the Birdland deal it's on to Montreal where he opens at the Seville Theatre November 19. Then it's the Uptown Theatre out Philly way, a short vacation for the hard working Maestro and crew, and a December 22 opening at Miami's Beachcomber. . . . Eddie Portnoy and Joselyn Bruno, who sell lots of records in Harlem's Gelgold Record Center, say that "Money Honey", Clyde McPhatter and his Drifters; Dinah Washington's "Fat Daddy"; Tiny Bradshaw's "South Of The Orient" and Chuck Willis' "Don't Deceive Me" is keeping them busy. . . . Bob Pare (He's Portem's top man) tells us that Harlem retailers coming in with fat orders on the current biggies "Hole In The Wall", Floyd Dixon, Fats Domino's "Rose Marie" and B. B. King's latest opus "Please Hurry Home". . . . Word from Harlem's wisemen say the Dixie Hummingbirds great new Peacock waxing, "Let's Go To The Program", is one of the most sensational ever to grace the racks of their stores. . . . Also meeting with favor is new diskery Stardust's, "Autumn Noctourne" and "In Love In Vain" by the new singing find Carmen McCrae. . . . Howard Biggs, R.C.A. Victor staffman, is the fellow who cooked up those wonderful arrangements you hear on the new Buddy Morrow Rhythm and Blues album. Loaded with talent, Howie in the past has put together such big one's as "Old Man River" (The Ravens all time favorite), "The Very Thought Of You" and "Don't Take Your Love From Me". The latter served to introduce the wonderful voice of Lee Richardson.

# Grand Ole Opry To Celebrate 28th Anniversary With 3 Day Jamboree

NASHVILLE, TENN.—On November 21, Grand Ole Opry will celebrate its 28th anniversary. In honor of the occasion, WSM, the station from which the show originates, will hold a three-day jamboree which will be attended by disk jockeys, artists, A&R heads, trade paper personnel, music publishers, diskery execs, managers, bookers and many others associated with the country music field. From every corner of the country, music men will travel to Nashville for the

celebration to be held from November 20 to 22.

In the past decade, the influence of Grand Ole Opry and the stars it has created, has affected the entire music business. Folk music—the music centering around Nashville—has changed the American public's entire conception of popular songs and has influenced the tastes of millions of people who normally might never have been exposed to it.

It has spread from Nashville across

the entire country. It has affected the publishing business like nothing we can remember with almost all publishers continually on the lookout now for tunes which have a folk feeling. It has created a host of new record artists who hitched their wagon to the folk field and made it.

In short, its effect on the music business has been tremendous.

And certainly no program has done more to spread this music than Grand Ole Opry which originated at WSM 28 years ago and is still going strong.

So in honor of the event, the entire music business is set to help the station and program celebrate. Prominent publishers and record companies will give cocktail parties, open houses, luncheons, midnight suppers and forums throughout the entire three-day period.

Invitations have been sent out to some 900 disk jockeys all over the country and 200 "will be there" replies have already been received.

The "Grand Ole Opry," WSM, and the Andrew Jackson Hotel will be the sites of the celebration.

On Friday, November 20, WSM will be the host at a three-hour meeting, cocktail and dinner party where A & R heads and representatives of publishing firms will chat with the dee jays. That same day, RCA Victor will be host at a luncheon.

On Saturday, November 21, Capitol Records, Acuff-Rose Publishing, Peer International Publishing, Hill & Range Publishing and Country Song Roundup Magazine will be hosts at the various functions throughout the day.

Other events are expected to be sponsored by other music firms for the final day of the celebration, Sunday, November 22.

The Cash Box will participate in the celebration by running a special section devoted exclusively to Grand Ole Opry and WSM. It will contain congratulatory messages from all facets of the music and record businesses. It is expected that everyone who in any way has ever been connected with the show or station will want to send his congratulations through this special section which The Cash Box is planning.

ERNEST TUBB and RED FOLEY

(Decca 28911)

● Take two top country favorites, put them together on one record and the results should be something extra special. To prove the point, Ernest Tubb and Red Foley team up two delightful decks that're sure to create excitement in the jukes and over the counter. The boys dish up a grand time for all on "Too Old To Tango" which

is a take off on a recent country success. The boys poke fun at the fact that they're not as young as they used to be. On "Doctor Ketchum" the artists dish up an amusing bit of double-talk as they wreck a few passages from the doctor's book about the ladies. A double barreled hit.

## SHORTY LONG

(Valley 108)

**B+** "WHO SAID I SAID THAT" (2:35) [Tannen BMI—B. Bryant] Shorty Long comes up with a solid piece of material that's going to have everybody clappin' his hands and stampin' his feet. Tune has the beat and melody of the old favorite, "Tuxedo Junction," and Shorty treats it to a socko vocal job.

**B+** "I GOT NINE LITTLE KISSES" (2:33) [Tannen BMI—S. Long] Shorty really gets going as he zestfully belts out another rousing item that oughta tear the house down. Two terrific country items with strong possibilities in the pop and r & b fields.

## HOMER &amp; JETHRO

(RCA Victor 20-5456)

**B+** "(All I Want For Christmas Is) MY UPPER PLATE" (2:30) [M. Witmark & Sons ASCAP—D. Gardner] Everytime Homer and Jethro get together to wax a tune, the public is treated to a heap of chuckles. After all, how can anyone enjoy a Christmas turkey without his upper plate?

**B+** "I SAW MOMMY SMOOCHIN' SANTY CLAUS" (2:30) [Harman ASCAP—T. Conne] Another rib-tickling performance turned in by the comical duo as they give their version of the familiar Christmas ditty. Two hilarious sides that oughta make the boxes "jingle" with excitement.

## YORK BROTHERS

(King 1277)

**B** "STARLIGHT MY LOVE" (2:35) [Lois BMI—T. Downs] The York Brothers harmonize in fetching fashion on a pretty middle beat romantic tune. The boys' soft and tender treatment is cushioned by an easy string accompaniment.

**B** "MY PRAYER TONIGHT" (2:30) [Jay & Cee BMI—H. Glover] The brothers warmly blend their vocal talents on a pleasant slow tempo item. Appealing lyrics coupled with a lovely melody for soft, relaxing side.

## CHARLIE STUCKEY

(Pelican 106)

**B** "OFF AGAIN, ON AGAIN LOVE" (2:38) [Buckeye BMI—Tassin] Charlie Stuckey lends his soft and polished chords to a quick tempo romantic item. Catchy lyrics tell of a gal whose love is quite undependable.

**C+** "ANGEL OF MERCY" (2:39) [Buckeye BMI—Tassin] Lower end is a slow beat touching piece. Stuckey delivers an infectious vocal as the Westerners support in smooth fashion. Two effective decks.

## LITTLE RITA FAYE

(MGM 11625)

**B** "THE MIRACLE OF CHRISTMAS" (2:53) [Milene ASCAP—Williams, Kessel] Little Rita Faye turns in a tender performance on religious flavored Yuletide item. A beautiful melody coupled with feelingful lyrics and vocalled in distinctive fashion by the talented youngster.

**B+** "I FELL OUT OF A CHRISTMAS TREE" (2:07) [Milene ASCAP—Rose, Heath] The refreshing voice of the tiny tyke is a treat to the ear as she vocals a delightful tune in the happy holiday spirit. Title tells how and when the little gal came upon this earth. A real cute platter.

## MARTHA CARSON

(Capitol 2634)

**B** "I'VE GOT A BETTER PLACE TO GO" (2:49) [Valley BMI—F. Wilson] Smooth voiced Martha Carson sings a moderate tempo sacred item with much feeling. Chorus blends in stirring fashion befitting the potent lyrics. A grand deck.

**B** "SINGIN' ON THE OTHER SIDE" (2:17) [Acuff-Rose BMI—M. Carson] Flip deck is a similar religious piece dished up in quick tempo style. The thrush delivers another top flight vocal effort as chorus lends eloquent support.

## RUDY GRAYZELL

(Abbott 147)

**B+** "BONITA CHIQUITA" (2:33) [American BMI—R. Grayzell] Rudy Grayzell dishes up a fast moving Latin flavored item in a joyful manner. Rudy's captivating voice warbles the exciting tune potently and is backed with zest by the Louisiana Hayride Band.

**B** "I'M GONE AGAIN" (2:52) [American BMI—J. Rhodes, L. Dean] Lower end is another quick beat ditty given a terrific reading by Grayzell. Racing musical backdrop adds color to the engaging lyrics. A lively side.

## "LITTLE" JIMMY DICKENS

(Columbia 21167)

**B** "NO PLACE LIKE HOME AT CHRISTMAS" (2:36) [Tannen BMI—B. Bryant] "Little" Jimmy Dickens delivers a heart warming performance on a slow tempo seasonal piece. The polished chords of the lad are supplemented with a soft string backdrop.

**B** "BAREFOOTED LITTLE COWBOY" (2:43) [Pleasant Valley BMI—Webb, Clements] Under portion is a cute quick beat tale about a present found beneath the Christmas tree. Two enchanting sides smoothly handled by the youngster.

Just received a nice promotional folio from Charles Wright, manager for Dub Dickerson, the Capitol artist whose latest recording is "Dear Love" and "One Night Stand." It looks as if these two sides will do all right for Dub, "The Boy With The Grin In His Voice." Fabor Robison has just released Jim Reeves on the Abbott label with "Bimbo," a fine novelty song about a happy youngster of the same name. On the flip side is "Gypsy Heart," an American Music number by Rhodes, Reynolds and Dean. Reeves is backed on the session by the Louisiana Hayride Band, and it is reported that several other labels will cover the "Bimbo" tune before mid November. Cousin

JIM REEVES

Minnie Pearl, Queen Of The Grand Ole Opry, is in the midst of a tour of some of the leading department stores in the country, promoting her first literary efforts. . . . Minnie Pearl's Diary, which is loaded with interesting pictures, and little bits of comedy which have made her famous. Hot Gilliam, who recently completed plans to handle promotions for Cowboy Copas (King), started things off last week with dates set in the Arkansas and Missouri territory. Dub Allbritten, who handles promotion for Grand Ole Opry talent, and the man who credit is due for pushing the young, new Valley Recording Artist, Bobby Myers, into the limelight, is now pushing Bobby's initial release "I Want A Mommy For Christmas" and "Old Fashion Christmas" right to the top so far as Christmas tunes are concerned. While "Hey Joe" is still echoing from the Country and Western deejays turntables, Carl Smith has turned in another top-notch record that is already getting lots of plays, according to all reports being received now. Title of Smith's new release is "Satisfaction Guaranteed" and "Who'll Buy My Heartaches," both very good tunes and catching the fancy of the listening audiences rapidly. It is rare, if ever, the writer of this column goes out on a limb by making predictions, but take note now . . . we predict "Satisfaction Guaranteed" to go right to the top in the next few weeks! Jean Shepard, currently on tour in Montana and Canada with Ferlin Huskey, is among the top C&W girl singers, according to votes by the deejays being received by one of the Country Music Publications. In ranking order, they stand this way: Kitty Wells (Decca), Goldie Hill (Decca) and Jean Shepard (Capitol).

X. Cosse, who manages Martha Carson, the Capitol songstress of gospel and spiritual songs, reports that the artist played Goble, Missouri, October 23rd for the Goble Mercantile Company to an audience of 3500. Martha's appearance was part of a sale promotion and it was called the "The Greatest Sale In Southern Missouri." Also, on October 23rd, Martha appeared on the CBS, "Duke Of Paducah Show," and was guest on Grand Ole Opry's Prince Albert Show, October 24th.

Latest release by Martha is "Singin' On The Other Side" and "I've Gotta Better Place To Go!" Next week the Carson group tours Florida, with personal appearances set for Orlando, Winterhaven, Miami, and Jacksonville! C. E. Tebbetts, Los Angeles, author of "Divorce Granted" recorded by Ernest Tubbs on Decca, recently signed with Hill and Range Music. Carolina Cotton is devoting full time these days to story conferences and material for her Television Show which goes coast to coast this winter. Carolina will again, at Christmas time, be with the United Nations troops either in Korea, Germany or Africa. Ginny Wright made her singing debut on Fabor Records and early reports indicate Fabor Robison may have another hit. One side of the record has Ginny teamed with Jim Reeves doing "I Love You," and this is backed by "I Want You, Yes" (You Want Me, No) on which Ginny does a single. Another new Fabor label release introduces Tom Bearden singing "Women, Women, Women" and "We Were Wed In June." Smiley Burnette was in Missouri and Kansas last week on the first leg of a tour that will last until December. Joe Maphis and Rose Lee are making plans to do several tour dates in mid-winter with T. Texas Tyler beginning in the area of Richmond, Va. Tyler was in Hollywood last week cutting eight sides for Decca, and was a breakfast guest at the Maphis home in North Hollywood. Joe and Rosie are regulars on Town Hall Party, the radio and TV Show from Compton, Calif. each Friday and Saturday night. Skeets McDonald fans will enjoy his latest album which has a collection of his country and hillbilly songs including "Let Me Know," "I'm Hurtin'," "Don't Let The Stars Get In Your Eyes" and "Bless Your Little Ole Heart" (You're Mine) his current release is "Looking At The Moon." Haven't heard from Curtis Gordon, the RCA Victor Artist from down Mobile, Alabama way in sometime. What's cooking, Curtis? One of Knoxville, Tenn., first TV stations, WTSK, is in the process of organizing a live-talent setup of 'Country Artists' for a well-rounded program of 'Folk Music Shows'. Their setup will follow the trend of other TV stations around the country since the advent of Television. Since Knoxville is in the heart of the folk music belt, the source

of supply of 'Country Artists' and their popularity should come very easy! Darrell Glenn (Valley) has a new release out, titled "Only A Pastime" and "I Think I'm Falling In Love With You." The boy, who first hit with "Crying In The Chapel," is now receiving early reports on this release, which should further establish him as a top-notch recording artist. The new Ray Price release, "Leave Her Alone" published by Acuff-Rose, looks as if it will be one of Ray's best efforts in sometime, according to those who are watching the tune. Sid Kessel and Dusty Collins penned the tune. Looks as if Sid is doing all right these days with his songwriting, because he also helped write "The Miracle Of Christmas" with Spencer Williams! "The Miracle Of Christmas" is by Rita Faye on MGM! Frankie More, manager of Johnnie and Jack (RCA Victor) and Kitty Wells (Decca) reports that the latest release by Johnnie & Jack "Pig Latin Serenade" and "You're My Downfall" is beginning to hit in every territory they have covered. One of the most popular groups at WSM's Grand Ole Opry, the Johnnie and Jack unit with Kitty Wells as added attraction have broken records all year on their personal appearance engagements. Just recently, the group broke all records on their first deep South tour in Florida . . . the first for the season, which, no doubt will lead to a return engagement! This week Marty Robbins headed into Florida territory for personal appearances!

# What Causes The Average Person To Play A Juke Box?

NEW YORK—During World War II every factory in our industry, not only devoted 100% to producing materials for war, but without exception won acclaim and awards for the quality and speed in which they turned out its products. Now, during the Korean incident, many of these same factories supplied our armed forces with top grade items.

It's not too difficult for those engaged in the coin operating business to understand how this comes about.

To those of us who have been associated with the coin machine industry since the early days, nothing is impossible for our factories to produce. They have either invented, innovated or utilized many scientific processes.

The amusement machines prior to the modern trend were strictly mechanical. Then came the first pin games, which operated the same way. The next step was the battery. Then through electricity. Development of various types of amusement machines brought with them an assortment of scientific uses.

The same progress took place with the automatic music machine.

Today among the many scientific developments being used in coin operated machines are Hi-Fi, 3-D, Black Light, refrigeration, heat, infra-red-rays, electric eye, and any number of electronic and electric devices. Materials used in building equipment consists of practically every metal known, plastics, high grade woods, different types of glass, coin changers, coin rejectors, and the best locks devised.

The straddling infant of the late twenties and early thirties is today a giant, using every physical and scientific means to bring the operator the greatest in modern coin operated equipment.

HARRISBURG, PA.—At a recent banquet of the Retail Liquor Dealers of Pennsylvania in this city, a member of the Liquor Control Board told tavern operators that they should stop apologizing to themselves and others for being in the liquor business. David R. Perry said the retail liquor industry is an "honest and legitimate business." This same philosophy should be adopted by members of the coin machine industry. Too many in our business fail to appreciate the important part they play in creating relaxing enjoyment, economically, for the large majority of our country's people. And that's certainly something to be very proud of.

FLINT, MICH.—While some few industries have indicated a decrease in sales the manufacturers of automobiles continue to roll right ahead. It was reported this week that the Buick Motor Division of General Motors has sold more cars at retail this year than any other year in its history with the exception of 1950. So far Buick has made over 400,000 retail deliveries, compared with 556,000 in the full year of 1950. With still a full quarter to go, its conceivable that the sales may even reach or go beyond the record year of 1950.

For many years, as the writer has traveled about this continent he would watch, study, listen and question:

"What causes the average person to play a juke box?"

Though this may seem somewhat far fetched to some in the field, it must always be remembered that, he who understands the details—understands the whole.

And by such questioning the writer came upon the many reasons for the continued success of the juke box.

Like any businessman, anywhere, all must know whether or not there is that intent to act—and whether this intent is of a permanent and lasting nature—before engaging in any business.

Especially before investing the capital required today to actively enter into the juke box business.

The writer came across a great many reasons, which he jotted down from time to time and, just the other day, gathered them together to publish them in this editorial, in an effort to prove to the juke box industry, why it is a great industry with a glowing future.

No. 1—Questioning a patron of a location who told the writer, "Oh, I don't know. I come in here by myself most of the time. And I feel lonesome. Somehow the music from that juke box takes away that lonely feeling."

No. 2—A location owner said, "Juke box music peps up the patrons. It stimulates them. It keeps them in the place. It gives me a chance to do more business. I need that juke box."

No. 3—Another location owner put it this way, "When I get a good crowd and I want to keep the business going I drop a couple of quarters into the juke box myself That does the trick."

No. 4—Both from a patron, and from the location owner, came this joint statement, "I like to have the music going when I'm serving (or eating) food. I think it's better for the digestion. And I usually like soft, sweet music at this time."

No. 5—Both from patrons and location owners has come this statement, many, many times, "It helps us to relax."

No. 6—Though "No. 5" is probably the most popular, there are still many others which were just as interesting. For example, this one from the teenagers, "We like to hear the latest bands and artists. Brother, some of these guys send you. And if these records are good," some stated, "then we go out and buy them."

No. 7—Old and young, everywhere, had this to say, "The juke box gives us a chance to dance."

No. 8—One location owner came up with this statement, "Somehow the music from that juke box seems to pull the people closer together. It makes them more friendly. And it creates a real friendly atmosphere. Nice and warm."

No. 9—Another location owner had this to say, "It makes the people who come in here realize they're enjoying a real good time."

No. 10—One old timer said, "I like the old favorites so I like to play them."

No. 11—One patron of a very fine looking location had this to say, "Well, I read all about these new stars. I see them on television. I hear them on the radio. I see their names on those title strips. So I play the records to hear what everyone's raving about."

No. 12—A very charming young waitress in just as charming a location, said, "It helps romance."

No. 13—One young man, in a small town, told us, "Well, I guess I'm stuck here. Maybe for the rest of my life. The juke box brings in music of all the big shows. Broadway theatres. The big stars. It kind of adds glitter."

No. 14—One location owner answered, "The juke box music makes my place more enjoyable for all my customers of all ages."

No. 15—And one location owner brusquely stated, "I keep that juke box to make money with, Bud."

No. 16—Both from some location owners as well as from some patrons, came the following, "It takes my mind off my troubles."

No. 17—One lunchwagon proprietor put it this way, "That's easy to answer. It makes the customers think they're in an outstanding, high class place."

No. 18—Another location owner said, "Listen, today we consider the juke box like part of the fixtures and furnishings. People want it. That's the answer."

No. 19—In a college town, and in the 'hot spot location', one music student said, "I like to hear what's new in modern music. There's no better way to find out than the juke box."

No. 20—And a college professor in this same town stated, "Well," he said, "I guess I play a juke box because to me it's part of Americana. Somehow," he continued, "it is America."

Of course there were many, many more. Some overlapping the above twenty. But all in all each one was interesting. Each one pointed up a very definite fact.

And each one, in itself, was a reason why the juke box business continues to grow greater each year.

IF YOU HAVE HEARD ANY REASON, DIFFERENT THAN THOSE ABOVE, WON'T YOU PLEASE WRITE IT DOWN AND MAIL IT TODAY TO:

# FORESEES BIGGEST M. O. A. SHOW

**George A. Miller Spends Week In Chicago Meeting With Exhibitors Who Will Display At M.O.A. Convention, March 7, 8 And 9, 1954. Reports It Will Be Biggest Show In M.O.A.'s History**

GEORGE A. MILLER  
President and General Manager, MOA

CHICAGO—George A. Miller, president and general manager of Music Operators Of America, came directly to this city from the McCarran Bill hearings in Washington, D. C., to meet with exhibitors who plan to display their wares at the forthcoming M. O. A. Convention, March 7, 8 and 9, 1954 at the Palmer House here.

Miller indicated that, from commitments for booths already made for the forthcoming '54 convention of Music Operators of America that:

"This will be the biggest convention yet held by M. O. A."

He said, "I'm spending the entire week here in Chicago meeting with leading manufacturers and helping to arrange for outstanding displays of all exhibitors.

"The Palmer House," he reported, "is arranging to show us just how the complete displays will look, according to the plans which they have already prepared, and which charts we shall use in allotment of display space to all those who want to exhibit at this forthcoming 1954 M. O. A. convention."

Miller also reported that not only the leading manufacturers here in Chicago want to be exhibitors, but that all the record manufacturers and all allied to the automatic music industry, are already arranging for space at the M. O. A. Convention.

"The display space is going fast," Miller enthusiastically stated, "and from this alone we feel certain that our 1954 convention will be the biggest in M. O. A.'s history."

Those interested in obtaining further information in regards to exhibit space can communicate with George A. Miller, Music Operators of America, 128 East 14th Street, Oakland, Calif., or Ray Cunliffe, Recorded Music Service Assn., 188 W. Randolph St., Room 1605, Chicago, Ill.

## "The Jones Boys" In Song

NEW YORK—R. F. Jones Company, with offices in San Francisco, Salt Lake City, Denver, Seattle and Portland, finds itself not only well known in these five cities but over the whole world if we are to believe George Pincus' latest tune, "The Whole World's Talking About The Jones Boys." In all promotion, tradepaperwise as well as their news leaflet, R. F. Jones Company refers to themselves as "The Jones Boys." Disks already out on the tune include The Mills Brothers, Decca; Bobby Wayne, Mercury and The Three Dons and Ginny, Coral.

## United Presents New "Rio"

### Honors New In-Line Game With Same Name Of First Pinball It Ever Built

BILL DE SELM

the firm introduced, United presents an entirely new and different in-line pinball.

And also names it "Rio."

The game, itself, has all the features of the firm's latest inline game, "Tahiti." Plus the new features of scoring the name "Rio," thru the three holes which spell out the name and which, at the same time, return the ball for replay, while also giving the players the 2-5-8 numbers thru both the "R" and the "I" holes when these are lit.

Scoring thru all the three pockets, and lighting the name "Rio," gives the player four-in-line scoring.

"The game," the firm's salesman, Bill De Selm, believes, "is one of the finest we've ever yet produced.

"And," he says, "because of the ingenuity of the scoring on the game, as well as its marvelous mechanical construction and superior servicing features, we decided to honor it with the name of the first new game United Manufacturing Company ever built, 'Rio.'"

There's lots of business romance in this name, "Rio." It recalls a firm that started during the war revamping old games. Its revamps were considered the finest on the market. Each one produced won great acclaim from all in the industry during those hectic war years.

It was a small and busy plant on upper Broadway, here in Chicago, and many still recall it for the adventures and the fun that pervaded the entire place. For the grand meetings which were held there. For the busy sched-

ules that were constantly under way. For the general homey feeling of just a big family get-together which always created such grand comradeship among all who called on United.

It was here, in this Broadway plant, when the war was over that, one day, seven years ago this December, United introduced its very first all new pinball, not a revamp, and presented it to the market under the name of "Rio."

In those seven years, as all in the industry now know, many a change has come over the trade and, especially, many a great change has come to United Manufacturing Company.

No longer is United Manufacturing Company the little garage turned into a busy pinball factory for revamping and manufacturing machines, but, one of the most modern, completely air conditioned, impressive manufacturing plants in the midwest (Pictured below).

Still maintaining that atmosphere of good fellowship. Still the center of attraction for visitors. Still the old fun and comradeship. And still one of the most outstanding producers of fine coin operated amusements.

Many amusement operators, jobbers and distributors, will probably gaze long and fondly at the name "Rio," when they see this new United game.

Many will reminisce of those days, seven years ago, when so many hectic and thrilling and outstanding events took place.

This is, definitely, a business romance. And a romantic success. All contained in that name, "Rio."

## Exhibit's "Rudolph" Sells Out

J. A. (ART) WEINAND

CHICAGO—"That's all there is, there just ain't no more," is the way J.A. "Art" Weinand, general sales manager of Exhibit Supply put it this past week, when he shipped the last five "Rudolph The Red Nosed Reindeer" kiddie rides to Texas.

"I wish," he also said, "that I had another hundred or so more on the floor here at the factory."

"It seems," he continued, "that every one of the kiddie ride operators awoke at one and the same time to the fact that they needed 'Rudolph The Red Nosed Reindeer' with music for Xmas business."

Weinand also credited The Cash Box with helping this speedy sellout of the "Rudolph The Red Nosed Reindeer" kiddie rides because of the ad-

vertisements which appeared in this publication.

"Your publication certainly awoke operators all over the nation," he said, "and the telephone calls and inquiries continued unabated from almost the very first day our advertisement appeared."

The last five of the "Rudolph The Red Nosed Reindeer" kiddie rides with music went to Ken Wilkinson's firm in San Antonio, Texas

"Next," stated Art Weinand, "will be a build up of stock on hand of our famous 'Pete The Rabbit' kiddie ride which clicked so well during the Easter season."

"Those operators," he stated, "who want to make advance commitments for the 'Pete The Rabbit' kiddie ride, which will also feature music, should do so as early as possible to insure getting some of these for their locations for Easter '54."

## Herman Eig, Passaic-Bergen Ass'n Fieldman Reports On Dime Play

COYTESVILLE, N. J. — Herman Eig, field man for the Passaic Bergen Music Association, who has been out in the field studying and promoting 10c play feels that it can be successfully instituted if proper cooperation of the music operator and the location can be obtained.

Eig writes The Cash Box as follows:

This is my survey and observation of the 10c play taken in the Paterson, Passaic and Bergen County area of New Jersey.

At the start of the 10c play, the operators of the Passaic Bergen Music Association were convinced that the play should be 10c, 3 for 25c. After considerable time and effort, I surveyed the area in the city of Paterson and found that the play should be extended to 10c for 1 play, 4 plays for 25c. This extended play worked quite well in certain types of locations. However, we have found that the 10c play cannot be confined to just one particular location. I have found that thru actual experiences you must take location by location and tailor the 10c play to each location. The findings of my survey at present are such: The nickel slot should be done away with completely and the play should be started on a 2 play for 10c, 5 plays for 25c basis, and the locations in which the operator can get 1 play for 10c, 4 plays for 25 should be continued on that basis.

I have also found thru my survey and in talking to operators on the collections, that in some instances collections have gone up 30% above normal collections with the 5c play. In the course of my survey and talking with operators on the 2 plays for 10c, 5 for 25c, it has shown an increase of 7% on collection.

My contention and belief is that all operators evaluate the rise in collection on the 1 play for 10c, 4 for 25c, and to evaluate the 2 play for 10c, 5 for 25c with the possibility of eliminating in the near future the 2 plays for 10c, changing over to 1 play for 10c, 4 or 5 for 25c.

As all operators know today with the rising cost of new equipment and records, parts and supplies and also the high cost of labor, it is very important that juke box operators check into the various areas in which the 10c play has been instituted.

## As I See It

A Weekly Column  
by  
**AL SCHLESINGER**

Harry Snodgrass of Albuquerque, New Mexico has been in the coin machine business for a long long time. He is a member of The Cash Box "20 Year Club." Harry claims to be the original designer for the "Contact" pingame that was such a terrific hit back in 1933. Fred McClellan, manufactured "Contact" in Sacramento, Cal., and then moved to Chicago where he manufactured various games under the trade name of the Pacific Mfg. Co. Snodgrass has been occupied with all phases of the coin machine business. At the present time he has a tremendous operation in and about Albuquerque consisting of pinball, shuffles and phonographs. He operates under the trade name of the Border-Sunshine Novelty Co. and is also a distributor for the Rock-Ola Mfg. Co.

New Mexico is a large state. However, the total population is a little over 700,000. It is spread thin and it really makes operating under these conditions very difficult. Locations sometimes are ten and fifteen miles apart. Hence there are not too many operators in this state. The operators have formed a state association, the New Mexico Music Guild. Ben Ginsberg of Roswell, N. Mex., is president and Harry Snodgrass secretary and treasurer. Harry recently represented this group at the special meeting in Chicago called by the Music Operators of America.

In the past year 10c play was started and found wanting. It was claimed that the play dropped considerably. It just drove customers away. While many phonographs are equipped with dime coin chutes, the player can now get two plays for his dime. All phonographs here are still operating with 78 R.P.M. records. The reason for this, is, that this state has a large Spanish population and all tabs are bi-lingual. These have to be made out in Spanish and English. When enough 45 R.P.M. records that appeal to this type of customer are produced the operator would like to make the change.

When I questioned Harry about the future prospects of our business: he was more or less pessimistic. He claimed: "Prices are too high for games and music for this territory". He further added: "I look for a tough year ahead on music, particularly with all the new models coming out."

As I see it, when an operator like Harry Snodgrass, makes a prediction of this kind, it behooves us all to take stock of ourselves. With a wealth of practical experience behind him, it would seem that we should proceed with a little caution.

**Important Feature:****All Pinballs Dated In  
"Confidential Price Lists"**

**Only Postwar Games Now Listed.  
Trade Acclaims Importance of 15  
Year Old "Confidential Price Lists"  
for All Sales, Trades and Deals.**

**Export Market Based On "The Confidential  
Price Lists" As Foreign Countries Give Com-  
plete Recognition.**

CHICAGO—Important to all in the industry concerned with the amusement division is the fact that "The Confidential Price Lists", which have been published each and every consecutive week for over 15 years, have now dated each and every pinball which appears in these lists, and which dating is requested by many of the foreign countries, so that the operators, jobbers and distributors have a complete knowledge of the years and months each machine was introduced to the industry.

"The importance of the dating of all pinballs, especially in sales and trades", one noted distributor stated, "is beyond valuation. This is absolutely necessary to us, and to each one of our salesmen traveling the territory."

Foreign countries have requested the dates of the games because this meets with their demands on accepting importations of machines into their countries.

Foreign nations today completely recognize "The Confidential Price Lists" and use them as a basis for import duties and taxes.

As far as the domestic, American market, is concerned, dealers here want to know just what month and year a game was presented so that, in all purchases, sales, trades, and deals, they have complete knowledge of the valuation of the product itself, if no sales have been made in current weeks, and therefore no late quo-

tations appear in "The Confidential Price Lists".

Said one well known distributor, "The only way we know how to buy, sell and trade today, thruout the entire industry, and in foreign markets, too, is by 'The Confidential Price Lists'."

"Now that you are dating all the games", he continued, "even tho some of the quotations might not be of a current or recent nature, we still know just about what we can offer, or what we can sell the machines for, because of the dates on the games."

One noted west coast distributor stated, "We couldn't do business today without 'The Confidential Price Lists' that appear in each week's issue of *The Cash Box*."

"That's why", he explains, "we have an airmail special delivery subscription because we must know on Monday morning, out here in California, what the most active selling machines of the week were, and also what quotations changed, as well as what we can offer our customers for that week."

Most impressive statement was by one of the roadmen of a large Chicago manufacturer who said:

"I have made arrangement so that 'The Cash Box' reaches me each and every week, regardless of where I may be at the time. Without 'The Confidential Price Lists' none of us in the coin machines industry would know where we were at."

**Bally Mfg. Co. Begins  
Shipments Of "Palm Springs"**

**"Thoroughly Tested On Location" Says Nelson**

JACK NELSON

CHICAGO — Bally Manufacturing Company, this city, began shipments this week of a new in-line game called "Palm Springs," according to Jack Nelson, Bally general sales manager.

Introduced in the new "Palm Springs" game is a new hold and draw feature that permits the player to hold odd or even or all numbers, and cancel out unwanted numbers. This is accomplished by pressing buttons conveniently located on the right hand side of the front moulding, just above the ball plunger.

As the player deposits coins, arrow-

lights pointing to Hold-panel on the backglass, flash and advance at mystery intervals. When the light advances to the final arrow, the panel lights to tell the player to hold odd or even or all numbers by pressing desired button. Spotted numbers are always held, and balls return to the player from numbers not held.

"Palm Springs" also includes Super-Card Scores, Corner Scores, Advancing Scores, Select-A-Spot, Extra Balls and other profit-proved features.

"Palm Springs", with the new hold feature, has been thoroly tested on location", stated Nelson, "and we are fully satisfied that operators will enjoy the high profits usually associated with Bally products."

NEW YORK—Nat Cohn, Riteway Sales & Manufacturing Company, this city, who was so instrumental in creating and marketing a number of successful Kiddie Rides, announced that his newest product, "3-D Theatre", automatic picture machine with five shows and natural color, is now in full production.

The picture machine, which has been on test locations for some weeks, has proved to be a big money earner, Cohn reported.

"Our distributors, some of whom have viewed the machine, immediately placed substantial orders" stated Cohn, "which caught us unprepared for such volume sales. However, we now have the machine on the line and will be able to ship in any quantity desired. In addition, we are also in the process of appointing several new distributing firms to handle the machine, and will ship samples to them as they are appointed."

"3-D Theatre" will be displayed publicly for the first time when it is shown at the forthcoming NAA-PPB Show in Chicago, at which time Riteway will inaugurate a powerful promotion campaign to the trade.

# EQUIPMENT PRICES CONTINUE UP

**Regardless of Lower Costs for Some Raw Materials and Components, Higher Wages for Skilled and Unskilled Labor Plus Many Costly Inducements to Obtain and Retain Help, Forcing Prices of All New Equipment To Continue Upward Rise.**

CHICAGO—Regardless of national press notice that prices of some of the raw materials as well as components have gone down, the fact remains, especially here in this acute labor shortage area, that prices of all new equipment are not only remaining up, but, are most definitely continuing upwards.

This is understood by all who have visited the large coin operated machines manufactories in this city, and have noted the problems which each of these manufacturers has to contend with each day, in obtaining and retaining skilled and unskilled labor.

The help wanted classified advertisements which appear in the daily press here, day after day, and which are also being featured by some of the larger employment agencies, all in an effort to help the coin operated machines manufactories obtain help, speak as clearly as if a personal letter had been sent to each individual member of the industry.

To obtain labor, whether skilled or

unskilled, the manufacturers here are offering overtime work, bonuses for speeded production and, in addition, also guarantee their employees the following: paid vacation, paid life insurance, paid hospital, paid holidays, paid sick leave, paid doctor's calls, and so forth and so on.

Some factories are offering coffee breaks at various intervals during the day, while others have just as many other attractive offers to make, including even transportation to the job where necessary.

This will give the trade generally, everywhere in the nation, about as clear and concise a logical reason why the prices of all new machines are remaining at their present high point. And why, at the same time, they will continue to remain at high marks, with even the possibility that they may go higher, if the labor shortage doesn't soon ease up in this area.

The labor turnover situation here is at its worst. A factory can hire anywhere from 50 to 100 people dur-

ing the week with the hope that they will report on Monday morning ready to go to work. The factory will be very happy, in most cases, if even a small percentage show up for work from this new crop. Not to speak of losing employees they already have working for them.

Another thing which many in the trade don't take into consideration is the fact that even though the prices of raw materials may have gone down somewhat, the manufacturers of components are also having their hands full obtaining labor and are, at the same time, also paying higher wages and bonuses than ever before, while giving all attractive costly free inducements to retain their help, so that the prices of the components remain high and, at the same time, are shorted in supply to the manufacturers of the end product.

In short, unless there is an easing down of the present labor situation, this industry, like all other hard goods industries, cannot count on any price reduction to come about at the present time.

# End Of Second Month's Play Of Chi Automatic Phono Bowling League Shows Many Changes

CHICAGO—Now that the second month's play has come to an end, many changes have come about in the October standings of the Chicago Automatic Phonograph Bowling League.

ABC Music, which was the leading team in the first month's standings, has fallen to third place. Walter Oomens Sons has impressively and strongly jumped into the first spot. And Melody Music, too, jumped over ABC Music, to occupy the second slot in team standings.

Vic Jaccino, who led the individual bowlers last month with an average of 170.2, has now fallen to third place. His average is down to 166.17. Tony Galgano, with some truly remarkable and outstanding bowling during the month of October, zoomed from fourth into first place. His average is 167.7. He is being pressed very closely by Leo Sochacki whose average is 167.

In the women's division, Mrs. Tillie Galgano failed during the month of October to show the same outstanding skill as she did during September and, therefore, not only lost her hold on first place, but fell down to 6th place in the standings. As was expected, Mrs. Isabel Oomens jumped into the No. 1 spot with the impressive and remarkable average of 141.3. She takes a commanding lead over second place Mrs. Mabel Mankins who averaged 129.

## Gottlieb Distribs Give New "Pin- Wheel" Grand Reception

CHICAGO—Because of the fact that distributors today base their initial purchases on results of actual location tests, D. Gottlieb & Company happily reported this past week:

"Our new 'Pin Wheel' was given a tremendously grand reception by our distributors."

Nate and Alvin Gottlieb of the firm chimed in to reported that, "Today, every distributor wants to know, 'What did the game do on actual location tests?'."

"We don't blame them on bit", they stated, "and because of this we have, for years now, made it our business to test intensively every new game on location before we even announced it to the trade."

"This latest game, 'Pin Wheel'", both Nate and Alvin Gottlieb report, "was given just as intensive a test on various locations as we have ever given any of our games."

"Not only did 'Pin Wheel' stand up mechanically, but, it also proved it-

## THRU THE COIN CHUTE

### CALIFORNIA CLIPPINGS

### LOS ANGELES

Phil Robinson, Western representative for Chicago Coin, made an interesting and timely statement this past week. When asked what he thinks the future holds for the coin machine industry he stated that with all the new games that the factories are turning out it will stimulate the entire business picture for both distributors and operators. . . . Jack Dolan, prexy of Dolan Distributing Company states that he is no longer the distributor for Rock-Ola. This statement may not come as news to many people. Several have known for some time that Jack had given up the line but he just made it official. No one has heard who will take up the line but many rumors have been floating around but that's all—Just rumors! . . . Over at Paul A. Laymon Co. we caught Charley Daniels pecking away at the typewriter and answering phone calls while Ed Wilkes knocked off for a few bites of lunch. Back in the service department Don Peters, Karel Johnson and Don Gilbertson polish up several Wurlitzer 1500-A's while N. J. "Red" Creswell gets lost in a maze of wires and circuits in the games department. Jimmy Wilkens was out on what the Laymon boys call the "Milk Run" through San Diego, El Centro and Indio calling on ops. Bill Yedlin recently returned from a big hunting trip in Utah where we hear he had very good luck. . . . At the Badger showrooms this past week operators saw for the first time Genco's new 4 player "Shuffle Pool" game. The new game features six shots per frame and three frames per game with bonuses. Up to four people can play at one time. Al Silberman says that this new "Shuffle Pool" has been so enthusiastically accepted that their first shipment has already been sold out. . . . If anyone wants to question the feasibility of dime play in LA just see Bob Bever at Dan Stewart Co. He recently returned from a trip to San Diego and says he can show you several ops down there who have made it pay and are reaping better profits than before. Bill Happel prexy of Badger Sales Co. and Robert Smith, owner of Automatic Enterprises announced recently that they have signed a partnership agreement. The new venture will be known as Automatic Enterprises and will be located at 2321 W. Pico. They will be exclusive distributors for Northwestern Vendors and Supplies which Badger Sales now has. They will handle only the Northwestern line which will have no connection with the other lines that Badger Sales Co. now distribute. . . . Missed Heinz Heddergott, Western representative of National Rejectors, Inc., this past week. He's busily catching up on all the work that piled up while he was hunting in the Canadian wilds. We hear that he hit it lucky and came home with a bear, some pheasants and even a few fish. . . . Sam Ricklin of California Music Co. is the busiest fellow along coinrow. Every time we go in the place he's filling big orders from some far away places. Peaked over his shoulder and saw them from Arizona, Wyoming and even Honolulu, Hawaii. Johnny Desmond dropped in to visit with Sam and the rest of his gang. He's now plugging his new release "Woman" on Coral. . . . Lyn Brown now has Exhibit's new machine out on a test location. He stated that if any operators in the area want to see it he will be glad to make arrangements to show it to them. . . . Ted Patton drove in from Las Vegas this week to take care of business along coinrow. . . . Lucille Toller also came in from Blythe to visit here and there. . . . Other visitors included: Joe Maggaret from Tulare; Carl Fisher from Inglewood; Lee Nelson from Santa Ana and Jack Faust also from Santa Ana. . . . Tommy Workman dropped in from El Monte to visit briefly. . . . Also Lloyd Barrett from Pomona. . . . Other out-of-towners who were seen along coinrow included:—Jack Mallett, Claremont; G. L. Andrews, Santa Ana; Sal Campagna, Fontana; Lawrence Raya, Colton and Fred Shuey, South Gate. . . . Last but not least, Elmer Simpson was in town buying records for his route in Alhambra.

Charlie Robinson, owner of C. A. Robinson & Co. reports that he still is very pleased about the large turnout at the United service school held at his establishment. He added that getting together with all the operators in the surrounding areas has won him a lot of new friends and created tremendous good will. . . . A fellow columnist for The Cash Box, Al Schlesinger, was visiting along coinrow recently with yours truly. We stopped in to see Jack Simon of Simon Distributing Co. Got a kick out of hearing the two old timers, AL & Jack, reminisce about the good old days. Jack Simon remembers when he started in business—pants and coat didn't match and it wasn't a sport outfit either. Times were hard in those days. Going way back, they both remembered the old Jennings "Sportsman" pinball game that was made 20 years ago. It worked off a battery with ten balls for each game. (Yep, those were the good old days—but I'll take the modern age)! . . . Recording artist, Jerry Murad, visited the distributors along coinrow this past week. . . . April Stevens and Bob London stopped in to visit Mary and Kay Solle at Leuenhagen's Record Bar.

### DALLAS DOINGS

The weather in Texas has at last turned to winter. Rains and northers have given the air a fallish quality that always serves to stimulate business. . . . We have a new operator in Waco. Guy Pruitt, and the name of his firm is G & S Music company. He is going full blazes and we certainly wish him luck in his new venture. However, the coin machine business isn't new to him. He formerly had a route in Bremond, Texas. . . . K. E. Dunson of Waco is adding new equipment to his coin machine route. . . . D. O. Weathers of Abilene says that business is definitely on the up swing. . . . Bert Alcott, also of Abilene, is increasing his route. . . . Tommy Chatten of Commercial Music tells us that he is all set for a big deer hunt in South Texas. Watch out bucks. . . . The newly organized Coin Machine Operators Association of Dallas is coming along. All the members now have stickers for their juke boxes proclaiming to the world that they are members of the association. New members are J. V. Stone of Lone Star Music Company and Harry Voight of King Record Company. . . . The big concern of the association is the Pat McCarran Bill. . . . E. L. Certain Jr. has just returned from Washington, D. C. where he appeared as a witness. . . . The next meeting will be the last Monday in November, Nov. 30, at the Venus Restaurant.

### EASTERN FLASHES

Saturday night, November 7, is the big one for music ops here—everyone who's physically able will be at the Commodore Hotel to help celebrate the 16th annual banquet of the Music Operators of New York. Al Denver, president, and Nash Gordon, business manager, expect the attendance to be over 1,000. Many out-of-town guests expected—representatives from the phono manufacturing firms, as well as members of other music operators' associations, near and far. . . . An added feature, same as last year, will be the cocktail party being run by Wurlitzer-Young Distributing. All ops here, as well as recording artists have received invitations to partake of the Wurlitzer-Young cocktails, which comes off an hour and a half before the big party starts.

Harry Siskind, "the hit maker" music operator from Brooklyn, entertained a group of people, among which were a number of coinmen, at his home on Thursday, October 29, to aid in raising funds for the first Jewish medical college, Yeshiva Medical School. The school will be non-sectarian, and will admit students from any part of the world, regardless of creed or color. Siskind, as usual, was the most gracious of hosts, serving excellent food and an abundance of drinks. . . . Jack Mitnick, AMI regional representative, who had attended the McCarran hearing in Washington, D. C., and then went on to Grand Rapids and Chicago, spends a day or so back home. He then flew up to Canada, but was back by the end of the week so that he could attend the Music Operators' banquet. . . . Charlie Rubenstein, well known arcade owner, reports that his new arcade, opened this week on 8th Avenue and 42nd Street, is doing tremendously. He tells us that his picture machines, showing all the latest fights, drawing big. Charlie has contracted for these fight films, which he obtains a few days after the fights. Rubenstein also inaugurated something new in juke box music for his arcade (and, by the way, maybe other music operators can use this angle in certain locations). He has installed a new multiple selection juke box in the arcade—and programmed only classical music—at 10c per play. It's creating a sensation in the arcade, with the juke box never idle for a moment.

Joe Young and Abe Lipsky, Young Distributing, tells us that the Wurlitzer factory will have quite a contingent down for the music ops' banquet. There'll be Bob Bear, A. D. Palmer, Jr., Bob Hamilton, Max Waters and Hank Barber, their advertising agency man. . . . Lou Valenti, Staten Island op, comes to coinrow to do some shopping. Lou brings his wife and two young daughters with him, but they go shopping for things other than coin machines. . . . Barney (Shugy) Sugerman, Runyon Sales, tells us he had a most wonderful time during his trip to the West coast. Did some business as well as celebrating his 25th wedding anniversary with his charming Mollie. . . . Harry Koepfel, Koepfel Distributing, after quite a search, now able to have made for him plastics for Wurlitzer 800 and 1100 phonos. . . . Charles Reissner from the Elizabeth office, joins Bob Slifer as part of the New York office of Seacoast Distributors, Rock-Ola distrib. Reissner, service manager, will have available a complete supply of parts, as well as give immediate service on Rock-Ola phonos. . . . Ops flock around Genco's new "Shuffle Pool" game as Al Simon, Albert Simon, Inc., uncrates it. It's set up and a game started immediately among 4 ops. Lou Valenti makes the top score. It's a fascinating game, and Al looks for a terrific "hit." . . . Meyer Parkoff, Atlantic-New York Corp., spends a day in his Connecticut office, seeing ops there. Meanwhile, Harry Rosen confabs with the New York ops who keep flocking in to talk business. . . . Nat Cohn, Riteway Mfg. & Sales Co., highly enthused over his "3-D Theatre," which, he tells us is better in appearance and performance than even he ever expected. "We've been moving slowly," stated Nat, "because we wanted to turn out a perfect piece of equipment, and altho we've been delayed somewhat, we now have the machine." . . . Sam Kresberg, Automatic Products Corp., and known to all in the coin machine industry, has been appointed chairman of the Polio Fund drive for Greater N. Y., coin machine industry division.

### MIAMI MURMURS

Eli Ross, president of Ross Distributing Company and his staff played host to a record number of music operators who attended the showing of the new Rock-Ola "Comet" phonograph at the firm's most beautiful showrooms on Sunday, Nov. 1. Ross reported orders taken should keep the Rock-Ola factory busy shipping phonos, even at carload lots, for the next four or five months. . . . Harry Goldberg, H & G Novelty Co., displays the new cigarette machine which vends Parliament cigarettes. It's a one column machine, and can be attached to any cigarette machine on the market. . . . Joe Mangone, All Coin, one of the busiest coinmen here. Joe moving plenty of Gottlieb's new games, plus running his music and game routes and taking care of his two arcades. . . . Now that the Miami juke box operators are aware of the wonderful performance of the new Wurlitzers, states Ted Bush of Bush Distributing Co., they're loading him up with plenty of orders, and he wishes he could get bigger and faster deliveries. . . . Reports are that the new Genco shuffle game "Shuffle Pool" is creating a sensation at Taran's, and ops are crowding the showrooms all day long to try it out. Willie (Little Napoleon) Blatt, after playing the game, remarked that in his opinion it is one of the best ideas to come out of a coin machine factory in a long while. . . . Ron Rood, Southern Music Distributing Co., expected to open his new distributing offices here shortly, at which time he'll run a showing of the AMI phono.

Officials of the Automatic Music Operators Association of Miami report that it is going to put on the most outstanding affair in its history on December 12 at the Saxony Hotel. Bush Distributing, Wurlitzer distrib., will once again run a cocktail party before the banquet gets going. Ops had a wonderful time last year at the Bush party, and are looking forward to attending once again.

## THRU THE COIN CHUTE CHICAGO CHATTER

George A. Miller pulled into town right from the McCarran Bill hearings in Washington, D. C., where he was K.O.'d by those little virus bugs, and spent the entire week here visiting with the manufacturers and prospective exhibitors for the MOA Convention this forthcoming March 8, 9 and 10, 1954. George reports tremendous enthusiasm for this forthcoming convention with many of the ciggie machine and soft drink dispenser mfrs wanting to display their wares at the MOA show. He believes that the '54 show will be absolutely the most outstanding as well as the biggest convention in MOA's history. . . . We became an operator for just one day. And though the story is plenty humorous, we must report that the 2 kiddie rides we took care of that one day for the PTA bazaar, netted the Parent Teachers Assn. \$28.30. Which ain't hay for about 5 hours' working time. . . . All that excitement over at United's big plant this past week which had Bill DeSelm, Herb Oettinger, Johnny Casola and all the others, including bossman, Lyn Durant, working like mad, was due to their newest game, "Rio." Remember the first "Rio"? That was the first all new pinball United ever built. What terrific progress this firm has made in seven short years. And what a romantic return to a "first" by naming this new game "Rio."

George Ponser, who manages the Noo Yawk amusement ops' assn., passed thru town after getting mfrs here to come up with some ads for the journal this assn. is bringing out with its annual banquet. . . . Letter from Charley Schlicht, on the road for Ben Coven, regarding the "Songwriter" ads, sure was a honey. Charley put all his many, many years of experience into the letter. (Keep on sending us letters, Charley). . . . Jerry Barron of Barron Music Co., Belmont, Calif., comes thru with a marvelous letter wherein he recommends that the "20 Year Club" members take on one of the great charities which help spastic children. A grand cause. And one which we heartily join in recommending. . . . Our sincerest condolences to: Joe Kline of First Distributors who lost his mother this past week. Also to Joe Westerhaus of Cheviot, Ohio, who also lost his mother this past week.

Three sweetest words any sales manager can utter, "We're sold out." And that's just what Art Weinand of Exhibit was telling callers re: "Rudolph" this past week. Art complimented The Cash Box highly for the results it has pulled for the firm. Also said, "Now I wish we had a coupla hundred more on hand." . . . John Conroe just back at his desk at J. H. Keeney & Co., Inc. after a bout with the virus flu. And the very day he returns, Roy McGinnis dashes for home and bed—down with the same virus. But Paul Huebsch. Well, Paul just goes on and on and on. Proving how wonderful youth really is. . . . Next time Milty Green of Brklyn and Miami pulss into town suggest he meet his name sake—Milty Green—who sells haberdashery for Jack Fagman, popular haberdasher to the coinbiz. . . . Lou Casola all abuzz over his new building just completed in Rockford and waiting for the neon signs to be put up. Lou is distrib for Rock-Ola, United and Williams. New bldg has 12,000 sq.ft. of floor space. . . . If you still think that dime play is all wrong, then study the following report from the Illinois Bell Telephone Company. On Sept. 1, 1953, for that one day during the hot spell the city underwent, 283,427 calls were made to Weather 1212 by people from all over the city. In short, \$28,342.70 take for that one day. And many said people would cut down on all phone calls. Especially on such calls as "Weather" and "Time."

Frank Mencuri took over Ed Levin's desk this past week at ChiCoin while Ed away at Hot Springs enjoying the last third of his vacation. Said Frank, "Man, oh, man, I'm just swamped right up to my ears in details. Wow. What a job this Ed Levin has to do each day." . . . Never saw three busier guys in our life than Ralph Sheffield, Sam Lewis and Avron Gensburg. The men working right around the clock to get their newest out to the trade. Avron now traveling thru Louisville, Cincinnati, Indianapolis, and swinging southwest from there. The Genco plant a busy, busy place these days—and nites, too. . . . Nate Gottlieb came up with a honey of a story this past week. All about "Everything No." Which winds up with "Norfolk, Virginia." And you Norfolk, Va. ops should get in touch with Nate to listen to one honey of a story.

When we asked Harold Schwartz this past week how things were going, he came up with, "They should never be worse. All's terrific. Only wish we had a coupla carloads of Seeburgs on hand." And if that isn't enthusiastic optimism—what is? . . . Don't know whether Tom Callaghan is becoming a teenager (all over again) or whether he wants to try a new career—like, "Who's the Secret Vocalist?" Anyway, Tom's desk loaded with new records this past week. Of which Tom says, "I love popular music." . . . Jack Nelson of Bally out of town this past week. . . . Happy new daddy—Meade Arthur, comptroller of J. H. Keeney & Co., who became the proud papa of an 8lb. bouncing baby boy this past week. . . . Arthur Aloysius Garvey still in town. And the boys at Bally still trying to get him to drive into the snow country. But Arthur Aloysius won't move. . . . Charles (Little Jimmy) Johnson phones to compliment The Cash Box on its story regarding pinball thievery.

Bill O'Donnell had two words for Bally's newest game, "Palm Springs." Said Bill, "Tremendous reception." Meaning, of course, that the game got a tremendous reception from Bally's distribrs. . . . Ben and Trudy Coven two very worried people this past Wednesday. Were in the hospital all day with their youngest son, Larry, who had his tonsils removed. . . . George Jenkins hustling about like anything. Only about 46 days to Xmas. . . . Some of the music ops here who saw her perform at Mother Kelly's in Miami Beach hopping on Pat Morrissey's first Decca disk, "Baby It Must Be Love." A Cash Box "Best Bet." . . . Remember—"It's What's in THE CASH BOX That Counts." . . . Alvin Gottlieb telling all about the many, many hinges the firm tested for the front door of its new "Pin Wheel" game. "Then," says Alvin, "we decided that, regardless of how expensive, the best was none too good, and we chose an actual piano hinge which works perfectly on the front door." . . . Now that Gen. Sarnoff of RCA has announced the firm has sight as well as

sound on tape, will one of the juke box mfrs come out with a music machine that'll feature this tape, when a library has been completed?

Regardless of the fact that Johnny Oomens in pain and into the hospital the very next day to have his ulcers checked, Oomens still took Gillette for 3 games. Isabel Oomens came thru with a 451, HIGH for the Women; Carl Latino scored 489, and Tony (Boom Boom) Genovese was the hero of the night when he picked off a 3, 7, 10 split and railroad but wound up with only 431. Henry Leonarscyk came thru with 436. . . . Even tho ABC had a distinguished visitor present, none other than Edith Davis, to watch them, the excitement of seeing her up and around again must have taken their skill away for ABC went down for 3 games to Western Automatic. Proving that Bob Gnarro is still in a rut. He scored 485. But Millie Nyland with 412 and Jerry Mankins with 419 ganged up on ABC—but good. . . . Melody took Paschke for 2 games. But what happened to Tony (Get On Your Mark) Galgano? The guy opened with an almost perfect game, 225. And only totalled 495. Tony should be ashamed of himself. Charley Alesi came in with 450. For Melody, Jay Strobl had 527 and Vic Jaccino 467. . . . With Morrie Minkus scoring a 472, Atlas took Decca-Coral for 2 games, even tho Leo Sochacki came thru with a 467. . . . Warren (Fireball Bunk) Paradee went mad, but absolutely mad, "Fireball" scored 571, HIGH for the Men, so even tho Jerry Schuman at long last came up with a 546, it was no good. B&B took Star for 2 games. . . . "Canada" Paul Brown bowled a 205 game (Wow) but no dice, Mercury took 2 from Coven with Gill Lossaso hanging up a 448 score and Irv Cairo having his worst off nite scoring only 375 series. Ouch. . . . Better come up this Monday nite to watch the boys bowl—looks like some grudge matches in the air.

## more locations in every location

Overnight the AMI Model "E" has brought new opportunities for placing a juke box in positions of profit prominence in any location.

With its trim, intriguing lines, its pleasing planes and perspectives, the "E" is the most voluptuous assembly of curves ever presented on a phonograph. Like a beautiful woman who catches the eye from every angle, the Model "E" has an all-round fascination to the onlooker.

You can put the "E" in the very center of a store, in the main stream of traffic — yes, in any of a number of spaces hitherto denied the operator. Location owners recognize the

play-intriguing value of the new "E" Models' same satiny smooth finish on front and rear, top and sides. They know immediately that here is a juke box that deserves the **BEST LOCATION WITHIN THE LOCATION** — the top money-making area in every spot.
